A NEW ANTISEPTIC IODINE COMPOUND.

NOSOPHEN supplies an ideal antiseptic dressing, used like iodoform, and in all conditions in which the latter finds employment, either as powder or as a 3% Nosophen-gauze. It promotes rapid healing, causing healthy granulations to appear promptly, followed by rapid epidermization and cicatrization. It is odorless, strongly desiccative, tasteless, and absolutely non-irritant. Toxic effects from its employment are impossible, and it may

be used very effectively for internal administration as an intestinal antiseptic, but for this purpose a Bismuth Salt of Nosophen

(= **EUDOXINE**)
IS SPECIALLY PREPARED.

ANTI-KAMNIA PREPARATIONS

REGISTERED SEPT. 3 1890

ANTI-KAMNIA TABLETS

(1 gr., 2 gr., 3 gr., 5 gr., or 10 gr. each)

For general use, tablets answer every purpose and afford both accuracy and convenience. The most desirable size is the Five-Grain Antikamnia Tablet.

ANTI-KAMNIA & CODEINE TABLETS

(4¼ gr. Antikamnia, ¼ gr. Sulph. Codeine)

ONE SIZE ONLY

This tablet presents a most meritorious combination, especially useful in affections of the respiratory tract, neuroses of the larynx, etc. Particularly successful in all neuroses due to suppressed or irregular menstruation.

ANTI-KAMNIA & QUININE TABLETS

(2½ gr. Antikamnia, 2½ gr. Bisulph. Quinine)

ONE SIZE ONLY

The therapeutical action of Quinine with Antikamnia is so well understood that the practical uses of this tablet are apparent at once. The Antikamnia prevents the ebriety and ringing sensation produced by Quinine.

ANTI-KAMNIA & SALOL TABLETS

(2½ gr. Antikamnia, 2½ gr. Salol)

ONE SIZE ONLY

Hare says "Salol renders the intestinal canal antiseptic and is the most valuable drug in intestinal affections." Hence this tablet is indicated in Dysentery, Chronic Diarrhoea and all disorders due to intestinal fermentation.

ANTI-KAMNIA, QUININE & SALOL TABLETS

(2 gr. Antikamnia, 2 gr. Bisulph. Quinine, 1 gr. Salol)

ONE SIZE ONLY

Indicated whenever it is desired to relieve pain, administer an antiseptic and give a tonic in Grippal, Malarial and Rheumatic conditions.

ANTI-KAMNIA LAXATIVE TABLETS

ONE SIZE ONLY

Antikamnia.....	gr. 4¾	Aloin.....	gr. 1
Cascarin.....	gr. ½	Ext. Belladonna.....	gr. 1
Podophyllin.....	gr. 1-32		

A Laxative Analgesic and Antipyretic without Quinine. Very useful.

ANTI-KAMNIA & QUININE LAXATIVE TABLETS

ONE SIZE ONLY

Antikamnia.....	gr. 3	Aloin.....	gr. 1
Quin. Bisulph.....	gr. 1¾	Ext. Belladonna.....	gr. 1
Cascarin.....	gr. ½	Podophyllin.....	gr. 1

A Tonic-Laxative, Analgesic and Antipyretic with Quinine. The "Cold" Cure.

ANTI-KAMNIA (Finely Powdered)

Too much can not be said in praise of the original and only reliable Antikamnia, made solely by The Antikamnia Chemical Company of St. Louis, U. S. A. It is always uniform and therefore gives expected and desired results without untoward after-effects. When prescribing, please specify "Antikamnia—Genuine."

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.

Founded by the late Robert A. Given, M. D., 1859.

CLIFTON HEIGHTS, Delaware County, Pa.

Medical Superintendents—J. WILLOUGHBY PHILLIPS, M. D., S. A. MERCER GIVEN, M. D.

This institution is located a few miles west of the city of Philadelphia, at Primos Station, on the Philadelphia & Baltimore Central Railroad, and is designed to accommodate a limited number of patients of each sex.

Burn-Brae has been in operation for more than a quarter of a century, and now numbers

its friends in all sections of the Union. No better proof of the confidence reposed in its management by the profession and the community at large, could be given than the extensive improvements and additions that have been made during the last few years—not for the purpose of adding to the number of patients already provided for, but in order to increase the size of the old dormitories, and of erecting conservatories in the ladies' apartments.

The grounds, originally twenty-five acres in extent, have been increased to fifty-eight acres, thus, besides securing to the inmates perfect privacy, affording them in their walks the pleasing variety of hill and valley, meadow, brook and woodland.

The fact is now fully recognized by Psychological Physicians that the less we treat the insane as exceptional beings, by immuring them in large hospitals under strict discipline and modes of life widely different from the social amenities of home, the more likely is recovery to take place. Hence the advantage of small establishments where the arrangements are home-like and familiar.

It is the desire of the management of Burn-Brae to make it in every respect a home for their guests. The location is beautiful and salubrious; the house, though possessing all the safeguards and appliances of a public hospital, in external appearances and internal arrangements presents nothing to unfavorably impress the inmates.

The agreeable and soothing influence of music; the in-door games of chess, billiards, backgammon, ten-pins, shuffle-board; the open air amusements of croquet, lawn-tennis, cricket and football, are provided for and daily resorted to by patients.

A lady, well educated and of unexceptionable manners and deportment, resides in the same apartments and devotes her time to the lady patients, thus securing them on all occasions a pleasant companion and a watchful friend.

Access from Philadelphia by the Baltimore Pike, or take cars for Primos Station, on Central Division of P., W. & B. R. R., Depot Broad and Filbert Streets, Philadelphia.

TRADE MARK REGISTERED NOV. 24, 1896.

—IS—

INDISPENSABLE TO PHYSICIANS.

Oxydonor and Panaxora cure rapidly and master disease by increasing the "vis medicatrix naturae" adequately. No physician can be abreast of the times without them.

W. S. Hall, M. D., 1170 Market St., San Francisco, Cal., writes:

"I have cured through the use of Oxydonor nearly every form of disease I have ever seen.

YELLOW FEVER.

Lawrence C. Bodet, Acting Secretary of Board of Health during Yellow Fever epidemic, Brunswick, Ga., writes February 20, 1899:

"This is to certify that during the Yellow Fever epidemic of 1893, the Oxydonor was used on patients who had been officially announced by this board as suffering from the prevailing plague, and that said patients were officially discharged as fully and entirely recovered. Reports confirming the above will be found on file in the office of the Board of Health of this city."

Harriet Dada Emens, M. D., 321 Montgomery St., Syracuse, N. Y., writes:

"I have used Oxydonor upon various cases I have been called upon to treat professionally, and upon myself, with great benefit."

Doctor, do you use the ADJUSTABLE INDEX LEDGER?

If not, you have not seen it.

Doctor Clark Burnham, 182 Clinton street, Brooklyn Borough, says he would not take \$100 and not use it, and he has used it two years, after using several other physician's account books.

They are made in day book and ledger combined and in ledger only to be used with separate monthly day book, and are perpetual. When a page is filled a new one is inserted and the old one is filed for future reference.

The above cut shows the binder and index. By entering the name on the sheet, cut at first letter of given name (or second letter of name, if preferred) along the index sheet, it is possible to turn to the exact page with only once writing the name, and in half the time it takes in any other system of indexing.

Write for illustrated catalogue and prices. It is not only the best, but the cheapest.

We will ship C. O. D. with privilege of examination before paying for it, returnable at our expense if not satisfactory to any physician registered in this Register.

"NORWAYS" DR. STERNE'S SANATORIUM for NERVOUS DISEASES No. 1820 E. Tenth St. (Facing Woodruff Park), Indianapolis, Ind.

This institution is in every sense a private sanatorium for the care and treatment of all forms of nervous and mental diseases, medical and surgical, rheumatoid affections, the drug habits, alcoholism and epilepsy. Especial facilities for the "rest cure" are afforded, and every method of proven value employed, aided by skill and the best modern apparatus. The Sanatorium is equipped in the most perfect manner throughout and is constructed upon the pavilion plan, so that it is possible to keep different classes of patients distinct and separate. Special attention is called to the new building for mental affections, a model of its kind, entirely isolated from the rest of the Sanatorium, having special treatment rooms, attendants, etc. Every bed-room is well ventilated, steam heated and electric lighted. A large "sunnery" is reserved for use of patients exclusively. Trained nurses and masseur constantly in attendance. Careful supervision over patients and the cuisine is exercised at all times.

MISS ELMA BAKER, Sanatorium Superintendent.

TERMS:—\$15.00 to \$25.00 per week, according to location of room.

The buildings are modern, situated in spacious and attractive grounds, commanding superb views of Long Island Sound, and surrounding hill country. The institution is conducted on a **liberal scale**, and the accommodations, table, attendance, nursing, and all appointments are suited to first-class patients. It is the purpose of the institution to continue home life under proper medical care and the guidance needed in each individual case.

The department for Alcoholics and Narcotics is well equipped, separate and detached. By applying to the managers the patient may be committed for a year, if so desired.

INTRODUCTORY.

Polk's Medical and Surgical Register has now been before the public since 1886 and is now in its sixth edition. It is the only National Medical Directory and is conceded to be a standard and necessary work of reference. With the view of adding to the usefulness of the Register, there have been introduced in this edition a number of **NEW FEATURES** and **IMPROVEMENTS** in **ARRANGEMENT**.

In the miscellaneous information at the beginning of each State the Medical Institutions have been classified under the heads of "Medical Colleges," "Hospitals, Homes, Etc.," "Sanitariums," "Dispensaries," "Penal and Reformatory Institutions," and compiled in alphabetical order by towns, so that quick reference may be had to any institution or class of institutions.

In the classified Business and Physicians' Supply department the names of the cities have been placed preceding the business names, which will greatly facilitate the finding of the latter.

The appendix heretofore appearing at the end of the book has been placed on pages 1931 to 1971 next preceding the Index to Physicians and will hereafter be known as the Supplement. The names are, for the first time, arranged by States and towns, and taken in connection with the body of the book, arranged in the same order, bring to view all the physicians in each State and town separately. These names are also entered in the general Index to Physicians, where reference is made to the page on which the name with medical record appears. In addition to the usual matter, the Supplement includes lists of late graduates as far as they could be procured from the colleges. These lists were received at the last moment without local addresses and the latter could not be secured before going to press.

On pages 98 to 103 will be found an official list of 460 physicians serving as medical officers in the regular and volunteer forces in Cuba, Porto Rico, the Hawaiian and Philippine Islands. In most cases, these names do not appear elsewhere in the Register.

The fifth edition of the Register embraced the names of physicians in the United States, Canada and Newfoundland. To these have been added those practicing in Porto Rico and Hawaii, besides the 460 mentioned above, making in round numbers, a total of 130,000. Each name is accompanied by all the information obtainable regarding place and time of graduation. To avoid the unwieldiness that would have resulted from giving the full name of the college and school of medicine practiced, a convenient and intelligible system of symbols is adopted, which is fully explained in a foot note on each page. At the commencement of the list for each State, Territory and Province is a descriptive article, embodying such matters as location, boundaries, extent in miles and acres, latitude and longitude, statistics regarding climate, temperature, population, rate of mortality, number of deaths from consumption, all medical and charitable institutions, medical societies and the full text of all laws for regulating the practice of medicine.

In addition to this complete directory, the names of all except those in Canada are repeated in alphabetical order without regard to location, and opposite each name is the page on which it appears with postoffice address, graduation and other particulars, forming an index, by means of which the present address of any physician in the United States may be readily ascertained.

Preceding the directory of names are departments prepared with great care, giving full lists of all medical colleges, either existing or extinct, in the United States and Canada; of officers of the medical departments of the United States Army and Navy, Marine Hospital Service and Pension Department, and a complete directory of the Medical Journals of the United States and Canada.

All errata and the names of physicians, societies, institutions, etc., received too late for publication in the body of the book will be found in the supplement, which it will be noticed has been placed next preceding the Index to Physicians instead of after it as heretofore.

In this edition the school of practice is not stated unless evidence of legal authority to practice has been furnished and the claim verified.

In a work of such magnitude, entailing the compilation and printing of over seven millions of items of information embodied in the book, it will be at once apparent that unavoidable errors may have crept in, notwithstanding the great care exercised by the publishers. Where the college training of a physician does not appear favorably, all interested persons are requested to apply to the publishers, who will be glad to furnish all available information touching upon the case, to the end that possible errors may be explained and no injustice done to the individual.

The publishers desire to thank all those who have assisted them during the compilation of the work, and would especially acknowledge their obligations to the officers of the different medical colleges who have rendered valuable service in perfecting the contents of this edition. It is intended that the publication shall be regularly issued, and in accordance with that intention a seventh edition will appear in due time, in which still further improvement will be conscientiously and energetically attempted, though it is believed that even now the Register is more complete and reliable in every respect than any other similar class publication.

Physicians' attention is directed to the classified lists of leading Manufacturers of and Dealers in Surgical Appliances and Physicians' Supplies generally to be found on pages 2583 to 2746.

NOTE.—Special attention is called to the fact that the asterisk (*), meaning "no report received in answer to inquiry regarding graduation," was only used after a research of the alumni lists of all existing colleges had failed to yield any particulars, and does not at all imply that the physician after whose name it appears is a non-graduate. Doubtless the names of some are so inserted who are graduates and prominent in their profession; in such cases the publishers found it impossible to secure the desired graduation data before going to press.

The Publishers invite friendly criticisms of the "Register," and will be glad to receive notice of errors or omissions, also of deaths and changes of address, for publication in succeeding Supplements and in next edition of the Register.

Faithfully yours,

R. L. POLK & CO.

FOURTH REVISED EDITION.

R. L. POLK & CO.'S
DENTAL REGISTER,

OF THE UNITED STATES AND CANADA.

The revised edition, to appear in 1900 will contain the names and addresses of over 21,000 Dentists, a list of the DENTAL COLLEGES in the United States and Canada, a synopsis of the LAWS for regulating the practice of Dentistry, and the Graduation Particulars of each Dentist. It will also include a vast amount of other information of special interest to the Dental Profession, calculated to insure for it a large and general circulation throughout both countries.

It is the **ONLY NATIONAL PUBLICATION** of the kind, and is conceded to be the standard and recognized Dental Register, and list of Dentists, Dental Institutions and Societies.

If you have anything to say to the 21,000 **DENTISTS** in the United States and Canada, there is no better or more economical way of saying it to them than by an advertisement in the Register; or, if you wish to send them your circulars, the Register contains the list in convenient form for addressing.

OAK GROVE,

Flint, Mich.

A Hospital for the
Treatment of Nerv-
ous and Mental
Diseases. . . .

ESTABLISHED IN

..1891..

BUILDINGS modern and free from institutional features; located in a grove of sixty acres of stately oaks; erected with especial reference to the needs of patients suffering from nervous and

mental diseases. Picturesque grounds which have been preserved in their natural beauties afford abundant facilities for recreation. Charming drives in and about Flint for which *carriages are provided without charge*, are given patients daily. Outdoor sports and indoor amusements are special features. Buildings are of substantial construction, perfectly heated and ventilated and luxuriously furnished. Home comforts and restful surroundings are assured to those seeking relief from disease, and to invalids requiring quiet, healthful influences. Purest water in abundance is supplied from artesian wells. A flowing well on the premises 265 feet in depth supplies an alkaline mineral water, said by the analytical chemist to be of medicinal value in catarrhal disturbances of the stomach and biliary passages, and in rheumatic affections. Copy of quantitative analysis furnished on application.

The hospital cuisine is strictly first-class, and effort is constantly made to meet individual tastes and preferences. Milk is furnished by a private herd of well-selected cows.

NOYES HALL, completed in the spring of 1896, furnishes ideal advantages for indoor amusements. The corridor connecting, provides, above, a hall for dancing and assemblies, below, a bowling alley. In the building proper, there are contained, gymnasium, billiard and card room, ladies' sitting room, lounging and smoking room and library, Turkish bath and electrical room.

The hospital is thoroughly equipped with the latest modern appliances for treatment, including Static, Faradic and Galvanic apparatus and Electric bath. Massage and Electric Massage are intelligently administered.

Flint is a beautiful city of ten thousand inhabitants, located in a prosperous agricultural region of Michigan. It is easily accessible from points east and west, being situated upon the Trunk lines, Chicago & Grand Trunk and Pere Marquette Railways.

Dr. Burr, Medical Director, was for sixteen years connected with the Eastern Michigan Asylum, and for five years superintendent of that institution.

A limited number of patients received. For further particulars, address

SAUNDERS MEDICAL HAND-ATLASES

The series of books included under this title consist of authorized translations into English of the world-famous **Lehmann Medicinische Handat-lanten**, which for **scientific accuracy, pictorial beauty, compactness and cheapness** surpass any similar volumes ever published. Each volume contains from **50 to 100 colored plates**, executed by the most skilful German lithographers, besides numerous illustrations in the text. There is a full and appropriate **description**, and each book contains a condensed but adequate **outline of the subject** to which it is devoted.

In planning this series arrangements were made with representative publishers in the chief medical centers of the world for the publication of translations of the atlases into nine different languages, the lithographic plates for all being made in Germany, where work of this kind has been brought to the greatest perfection. The enormous expense of making the plates being shared by the various publishers, the cost of each one was reduced to practically one-tenth. Thus by reason of their **universal translation** and reproduction, affording international distribution, the publishers have been enabled to secure for these atlases the **best artistic and professional talent**, to produce them in the **most elegant style**, and yet to offer them at a **price heretofore unapproached in cheapness**. The great success of the undertaking is demonstrated by the fact that the volumes have already appeared in **thirteen different languages**—German, English, French, Italian, Russian, Spanish, Japanese, Dutch, Danish, Swedish, Roumanian, Bohemian, and Hungarian.

In view of the unprecedented success of these works, Mr. Saunders has contracted with the publisher of the original German edition for **one hundred thousand copies** of the atlases. In consideration of this enormous undertaking, the publisher has been enabled to prepare and furnish special additional colored plates, making the series even **handsomer and more complete** than was originally intended.

As an indication of the great practical value of the atlases and of the immense favor with which they have been received, it should be noted that the **Medical Department of the U. S. Army** has adopted the "Atlas of Operative Surgery," as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts.

The same careful and competent **editorial supervision** has been secured in the English edition as in the originals. The translations have been edited by the **leading American specialists** in the different subjects.

As it is impossible to realize the beauty and cheapness of these Atlases without an opportunity to examine them, we make the following offer: Any one of these books will be sent, post-paid, upon request. If you want the book, you have merely to remit the price; if not, return the book.

THE NEWEST BOOKS

LEVY AND KLEMPERER'S CLINICAL BACTERIOLOGY

Elements of Clinical Bacteriology. By DR. EARNST LEVY and DR. FELIX KLEMPERER, of the University of Strassburg. Translated and edited by AUGUSTUS A. ESHNER, M.D., Professor of Clinical Medicine in the Philadelphia Polyclinic. Handsome octavo, 441 pages, with 92 illustrations. Cloth, \$2.50 net.

This book represents an attempt to group the results of bacteriological investigation from a clinical point of view. Bacteriology has become more and more an indispensable aid to medical art. It has enlarged our comprehension of the nature of infectious diseases, and it has established their prophylaxis, diagnosis, and treatment upon a broader basis. The work aims to show how useful to the physician in his double capacity of counselor of the well and coadjutor of the sick are bacteriological thought and action.

SCUDDER ON FRACTURES

The Treatment of Fractures. By CHARLES L. SCUDDER, M.D., Assistant in Clinical and Operative Surgery, Harvard University. Octavo, over 400 pages, 600 beautiful illustrations. Cloth, \$4.50 net.

This is a practical book intended for general practitioners and for students in medical schools and hospitals, the various methods of treating fractures being described in minute detail. The reader is not only told, but is *shown* how to apply apparatus. One of the special features of the book is the elaborate and complete series of illustrations, of which there will be nearly 600, all from new and original drawings, and reproduced in the highest style of art.

WATSON'S NURSES HANDBOOK

A Handbook for Nurses. By J. K. WATSON, M.D., Assistant House-Surgeon, Sheffield Royal Hospital, England. American Edition under the supervision of A. A. STEVENS, M.D., Instructor in Physical Diagnosis, University of Pennsylvania. 12 mo., 413 pages, with 73 illustrations. Cloth, \$1.50 net.

This work aims to supply in one volume that information which so many nurses at the present time are trying to extract from various medical works, and to present that information in a suitable form. The book represents an entirely new departure in nursing literature, inasmuch as it contains useful information on medical and surgical matters hitherto only to be obtained from expensive works written expressly for medical men.

OGDEN ON THE URINE

Clinical Examination of the Urine. By J. BERGEN OGDEN, M.D., Assistant in Chemistry, Harvard Medical School. Octavo, 400 pages with 70 illustrations. *Ready July, 1900.*

W. B. SAUNDERS 925 Walnut Street PHILADELPHIA

THE NEWEST BOOKS

BECK ON FRACTURES

Fractures. By CARL BECK, M. D., Professor of Surgery in the New York School of Clinical Medicine. *Ready in May, 1900.*

In this book, the author devotes particular attention to the value of X-rays in diagnosing different varieties of fractures. This comparatively new field Dr. Beck has made practically his own, and the large number of skiagraphs that will appear in the work have been pronounced by competent critics the finest specimens of such work in existence.

WARREN'S SURGICAL PATHOLOGY

Surgical Pathology and Therapeutics. By JOHN COLLINS WARREN, M. D., LL. D., Professor of Surgery, Medical Department Harvard University. Handsome octavo, 832 pages; 136 relief and lithographic illustrations, 33 in colors; *2nd edition* with an APPENDIX on the Scientific Aids to Surgical Diagnosis, and a series of articles on Regional Bacteriology. Cloth, \$5.00 net; Half Morocco, \$6.00 net.

"There is the work of Dr. Warren, which I think is the most creditable book on Surgical Pathology, and the most beautiful medical illustration of the bookmaker's art, that has ever been issued from the American press."—DR. ROSWELL PARK, in the *Harvard Graduate Magazine*. :.

SENN'S TUMORS (2nd Edition)

Pathology and Surgical Treatment of Tumors. By N. SENN, M. D., PH. D., LL. D., Professor of Surgery and of Clinical Surgery, Rush Medical College. *Second Edition, Revised.* Octavo volume of 718 pages, with 515 engravings, including 12 full-page colored plates. Cloth, \$5.00 net; Half Morocco, \$6.00 net.

"The most exhaustive of any recent book in English on this subject. It is well illustrated, and will doubtless remain as the principal monograph on the subject in our language for some years. The book is handsomely illustrated and printed, and the author has given a notable and lasting contribution to surgery."—*Journal of the American Medical Association*.

SAUNDERS' AMERICAN YEAR BOOK

A Yearly Digest of Scientific Progress and Authoritative Opinion in all branches of Medicine and Surgery, drawn from journals, monographs, and text-books, under the editorial charge of GEORGE M. GOULD, M. D. Year Book for 1900 in two handsome octavo volumes of about 600 pages, illustrated. Prices per volume: Cloth, \$3.00 net; Half Morocco, \$3.75 net.

"It is much more than a mere compilation of abstracts, for, as each section is entrusted to experienced and able contributors, the reader has the advantage of certain critical commentaries and expositions . . . proceeding from writers fully qualified to perform these tasks. . . . It is emphatically a book which should find a place in every medical library, and is in several respects more useful than the famous 'Jahrbucher' of Germany."—*London Lancet*.

RECENT MEDICAL BOOKS

JACKSON ON THE EYE

A Manual of Diseases of the Eye. By EDWARD JACKSON, A.M., M. D., sometime Professor of Diseases of the Eye in the Philadelphia Polyclinic and College for Graduates in Medicine. 12 mo. volume of over 535 pages, with 178 beautiful illustrations from drawings by the author. Cloth, \$2.50 net.

This book is intended to meet the needs of the general practitioner of medicine and the beginner of ophthalmology. More attention is given to the conditions that must be met and dealt with early in ophthalmic practice than to the rarer diseases and more difficult operations that may come later. It is designed to furnish efficient aid in the actual work of dealing with disease, and therefore gives the place of first importance to the recognition and management of the conditions that present themselves in actual clinical work.

KYLE ON THE NOSE AND THROAT

Diseases of the Nose and Throat. By D. BRADEN KYLE, M.D., Clinical Professor of Laryngology and Rhinology, Jefferson Medical College, Philadelphia; Consulting Laryngologist, Rhinologist, and Otologist, St. Agnes' Hospital. Octavo volume of 646 pages, with over 150 illustrations and 6 lithographic plates. Prices: Cloth, \$4.00 net; Half Morocco, \$5.00 net.

"It is a thorough, full, and systematic treatise, so classified and arranged as greatly to facilitate the teaching of laryngology and rhinology to classes, and must prove most convenient and satisfactory as a reference book, both for students and practitioners."—*International Medical Magazine*.

HEISLER'S EMBRYOLOGY

A Text-Book of Embryology. By JOHN C. HEISLER, M.D., Professor of Anatomy in the Medico-Chirurgical College, Philadelphia. Octavo volume of 405 pages, with 190 illustrations, 26 in colors. Cloth, \$2.50 net.

"In short, the book is written to fill a want which has distinctly existed and which it definitely meets; commendation greater than this it is not possible to give to anything."—*Medical News*, New York.

NANCREDE'S PRINCIPLES OF SURGERY

Lectures on the Principles of Surgery. By CHAS. B. NANCREDE, M. D., LL. D., Professor of Surgery and of Clinical Surgery, University of Michigan, Ann Arbor. Octavo volume of 398 pages, illustrated. Cloth, \$2.50 net.

The present book is based on the lectures delivered by Dr. Nancrede to his undergraduate classes, and is intended as a text-book for students and a practical help for teachers. By the careful elimination of unnecessary details of pathology, bacteriology, etc., which are amply provided for in other courses of study, space is gained for a more extended consideration of the Principles of Surgery in themselves, and of the application of these principles to methods of practice.

RECENT MEDICAL BOOKS

INTERNATIONAL TEXT-BOOK OF SURGERY

In two volumes. By American and British authors. Edited by J. COLLINS WARREN, M. D., LL. D., Professor of Surgery, Harvard Medical School, Boston, and A. PEARCE GOULD, M. S., F. R. C. S., Eng., Surgeon to the Middlesex Hospital, London, England. Vol. I.—**General and Operative Surgery.**—Handsome octavo volume of 947 pages, with 458 beautiful illustrations, and 9 lithographic plates. Vol. II.—**Special or Regional Surgery.**—Handsome octavo volume of 1050 pages, with over 500 wood-cuts and half-tones, and 8 lithographic plates. Prices per volume: Cloth, \$5.00 net; Half-Morocco, \$6.00 net.

One of the most timely features of the work is the extended consideration given to **Military, Naval and Tropical Surgery.** No work of the kind contains so complete and modern an account of these subjects. The treatment of these topics is based on the latest experience of Military and Naval warfare, including that gained during the Spanish-American war and the present war in the Philippines, and bringing the subject absolutely down to date.

AMERICAN TEXT-BOOK OF SURGERY

By 11 Eminent Professors of Surgery. Edited by WILLIAM W. KEEN, M. D., LL. D., and J. WILLIAM WHITE, M. D., Ph. D. Handsome imperial octavo volume of 1230 pages, with 496 wood-cuts in the text, and 37 colored and half-tone plates. *Third edition. Thoroughly revised and enlarged.* Cloth, \$7.00 net; Sheep or Half-Morocco, \$8.00 net.

"Personally, I should not mind it being called THE TEXT-BOOK (instead of A TEXT-BOOK), for I know of no single volume which contains so readable and complete an account of the science and art of Surgery as this does."—EDMUND OWEN, F. R. C. S., *Member of the Board of Examiners of the Royal College of Surgeons, England.*

ANDERS' PRACTICE

A Text-Book of the Practice of Medicine. By JAMES M. ANDERS, M. D., Ph. D., LL. D., Professor of the Practice of Medicine and of Clinical Medicine, Medico-Chirurgical College, Philadelphia. *Third Edition, Revised.* In one handsome octavo volume of 1292 pages, fully illustrated. Cloth, \$5.50 net; Sheep or Half-Morocco, \$6.50 net.

"It is an excellent book,—concise, comprehensive, thorough, and up to date. It is a credit to you; but, more than that, it is a credit to the profession of Philadelphia—to us."—JAMES C. WILSON, *Professor of the Practice of Medicine and Clinical Medicine, Jefferson Medical College, Philadelphia.*

PENROSE'S DISEASES OF WOMEN

A Text-Book of Diseases of Women. By CHARLES B. PENROSE, M. D., Ph. D., Formerly Professor of Gynecology in the University of Pennsylvania; Surgeon to the Gyncecan Hospital, Philadelphia. *Third Edition, Revised.* Octavo volume of 531 pages, handsomely illustrated. Cloth, \$3.75 net.

"I shall value very highly the copy of Penrose's 'Diseases of Women' received. I have already recommended it to my class as THE BEST book."—HOWARD A. KELLY, *Professor of Gynecology and Obstetrics, Johns Hopkins University, Baltimore, Md.*

CHURCH AND PETERSON'S NERVOUS AND MENTAL

Nervous and Mental Diseases. By ARCHIBALD CHURCH, M. D., Professor of Clinical Neurology, Mental Diseases, and Medical Jurisprudence in the Northwestern University Medical School, Chicago; and FREDERICK PETERSON, M. D., Chief of Clinic, Nervous Dept., College of Physicians and Surgeons, N. Y. *Second Edition.* Handsome octavo volume of 843 pages, profusely illustrated. Cloth, \$5.00 net; Half-Morocco, \$6.00 net.

"The work is an epitome of what is to-day known of nervous diseases prepared for the student and practitioner in the light of the author's experience. We believe that no work presents the difficult subject of insanity in such a reasonable and readable way."—*Chicago Medical Recorder.*

HIRST'S OBSTETRICS

A Text-Book of Obstetrics. By BARTON COOKE HIRST, M. D., Professor of Obstetrics in the University of Pennsylvania. *Second Edition.* Octavo, 848 pages, 618 illustrations, 7 colored plates. Cloth, \$5.00 net; Half-Morocco, \$6.00 net.

"The illustrations are numerous and are works of art, many of them appearing for the first time. The arrangement of the subject-matter, the foot-notes, and index are beyond criticism. As a true model of what a modern text-book on obstetrics should be, we feel justified in affirming that Dr. Hirst's book is without a rival."—*New York Medical Record.*

STENGEL'S PATHOLOGY

A Text-Book of Pathology. By ALFRED STENGEL, M. D., Professor of Clinical Medicine in the University of Pennsylvania. *Second Edition.* Handsome octavo volume of 848 pages, with nearly 400 illustrations, many of them in colors. Cloth, \$4.00 net; Half-Morocco, \$5.00 net.

"These objects have been faithfully carried out, and a valuable text-book is the result. Taking the book as a whole, we can most favorably recommend it to our readers as a thoroughly practical work on 'clinical pathology.' The illustrations are beautifully reproduced."—*The Lancet*, Oct. 28, 1899.

ABBOTT ON TRANSMISSIBLE DISEASES

The Hygiene of Transmissible Diseases: their Causation, Modes of Dissemination, and Methods of Prevention.

By A. C. ABBOTT, M. D., Professor of Hygiene in the University of Pennsylvania; Director of the Laboratory of Hygiene. Octavo volume of 311 pages, containing a number of charts and maps, and numerous illustrations. Cloth, \$2.00 net.

"It is scientific, but not too technical; it is as complete as our present-day knowledge of hygiene and sanitation allows, and it is in harmony with the efforts of the profession, which are tending more and more to methods of prophylaxis. For the student and for the practitioner it is well nigh indispensable."—*Medical News*, New York.

PRYOR—PELVIC INFLAMMATIONS

The Treatment of Pelvic Inflammations through the Vagina.

By W. R. PRYOR, M. D., Professor of Gynecology in New York Polyclinic. 12mo, 248 pages, illustrated. Cloth, \$2.00 net.

"This subject, which has recently been so thoroughly canvassed in high gynecological circles, is made available in this volume to the general practitioner and student. Nothing is too minute for mention and nothing is taken for granted; consequently the book is of the utmost value. The illustrations and the technique are beyond criticism."—*Chicago Medical Recorder*.

BUTLER'S MATERIA MEDICA

A Text-Book of Materia Medica, Therapeutics, and Pharmacology. By GEORGE F. BUTLER, PH. G., M. D., Professor of Materia Medica and of Clinical Medicine in the College of Physicians and Surgeons, Chicago. *Third Edition, Revised.* Octavo, 874 pages, illustrated. Cloth, \$4.00 net; Sheep, \$5.00 net.

"Taken as a whole, the book may fairly be considered as one of the most satisfactory of any single-volume works on materia medica in the market."—*Journal of American Medical Association*.

DORLAND'S DICTIONARY

The American Pocket Medical Dictionary. Containing the Pronunciation and Definition of all the principal words and phrases, and a large number of useful tables. Edited by W. A. NEWMAN DORLAND, M. D., Assistant Demonstrator of Obstetrics, University of Pennsylvania. *Second Edition, Revised.* 518 pages; bound in leather, limp, with gilt edges. Price, \$1.00 net; with thumb index, \$1.25 net.

"This is one of the handiest little dictionaries for the pocket that we have ever seen. Its definitions are short, concise, and complete, so that it contains within a small space as many words, satisfactorily defined, as are found in some of the much larger volumes."—*American Medico-Surgical Bulletin.*

VECKI'S SEXUAL IMPOTENCE

The Pathology and Treatment of Sexual Impotence. By VICTOR G. VECKI, M.D. From the second German edition, revised and enlarged. Demi-octavo, about 300 pages. Cloth, \$2.00 net.

The subject of impotence has seldom been treated in this country in the truly scientific spirit that it deserves. Dr. Vecki's work has long been favorably known, and the German book has received the highest consideration. This edition is more than a mere translation, for, although based on the German edition, it has been entirely rewritten in English.

STONEY'S MATERIA MEDICA FOR NURSES

Materia Medica for Nurses. By EMILY A. M. STONEY, late Superintendent of Training School for Nurses, Carney Hospital, South Boston, Mass. Octavo, 306 pages. Cloth, \$1.50 net.

The present book differs from other similar works in several features, all of which are intended to render it more practical and generally useful. The general plan of the contents follows the lines laid down in training schools for nurses, but the book contains much useful matter not usually included in works of this character, such as Poison-emergencies, Ready Dose-list, Weights and Measures, etc., as well as a Glossary, defining all the terms used in Materia Medica, and describing all the latest drugs and remedies.

DE SCHWEINITZ ON THE EYE

Diseases of the Eye. A Handbook of Ophthalmic Practice. By G. E. DE SCHWEINITZ, M. EICHHORST—A Text-Book of the Practice of Medicine.

By DR. HERMAN EICHHORST, Professor of Special Pathology and Therapeutics and Director of the Medical Clinic, University of Zurich. Translated and edited by AUGUSTUS A. ESHNER, M. D., Professor of Clinical Medicine in the Philadelphia Polyclinic.

FRIEDRICH—Rhinology, Laryngology, and Otology in their Relations to General Medicine.

By DR. E. P. FRIEDRICH, of the University of Leipzig. Edited by H. HOLBROOK CURTIS, M. D., Consulting Surgeon to the New York Ear, Nose and Throat Hospital.

McFARLAND — A Text-Book of Pathology.

By JOSEPH MCFARLAND, M. D., Professor of Pathology and Bacteriology, Medico-Chirurgical College, Philadelphia.

PYLE—A Manual of Personal Hygiene.

Edited by WALTER L. PYLE, M. D., Assistant Surgeon to Wills' Eye Hospital, Philadelphia.

The object of this work is to set forth plainly and concisely the best means of securing the fullest organic functions and maintaining the body in the highest degree of health, as well as securing the ideal environment. The book is not a rehash of matter by the layman or general practitioner,

but each section is written by a well-known specialist in disease of each portion of the body.

SALINGER and KALTEYER—Modern Medicine.

By JULIUS L. SALINGER, M. D., Demonstrator of Clinical Medicine; and F. J. Kalteyer, M. D., Assistant in Pathology, Jefferson Medical College, Philadelphia.

A work for students and practitioners in which internal medicine is considered in relation to etiology, symptomatology, pathology, diagnosis and treatment, especial prominence being given to practical methods in the examination of blood, sputum, gastric secretions, and urine, and to methods of physical diagnosis.

SENN—Practical Surgery.

By NICHOLAS SENN, M. D., PH. D., LL. D., Professor of the Practice of Surgery and of Clinical Surgery, Rush Medical College, Chicago. Octavo volume of about 800 pages, profusely illustrated.

This book deals with practical subjects, and is intended for the general practitioner, special attention being paid to emergency surgery. All emergency operations that come under the care of the general practitioner are described in detail and fully illustrated.

The experimental work of the author has been utilized wherever it was deemed necessary to serve as a basis for new methods of practice. The section on military surgery is based on the author's experience as Chief of the Operating Staff with the Army in the field during the Spanish-American War, and on his observations during the Greco-Turkish War. Intestinal surgery is given a prominent place, and the consideration of this subject is the result of the clinical experience of the author as surgeon and teacher of surgery for a quarter of a century.

STENGEL and WHITE—The Blood in its Clinical and Pathological Relations.

By ALFRED STENGEL, M. D., Professor of Clinical Medicine, University of Pennsylvania; and C. Y. WHITE, M. D., Instructor in Clinical Medicine, University of Pennsylvania.

STEVENS — The Physical Diagnosis of Diseases of the Chest.

By A. A. STEVENS, A. M., M. D., Lecturer on Terminology, and Instructor in Physical Diagnosis, University of Pennsylvania.

STONE—Surgical Technique for Nurses.

By EMILY A. M. STONEY late Superintendent of the Training Schools for Nurses, Carney Hospital, South Boston, Mass.

ANTIKAMNIA PREPARATIONS

REGISTERED SEPT. 3. 1890

ANTIKAMNIA TABLETS

(1 gr., 2 gr., 3 gr., 5 gr., or 10 gr. each)

For general use, tablets answer every purpose and afford both accuracy and convenience. The most desirable size is the Five-Grain Antikamnia Tablet.

ANTIKAMNIA & CODEINE TABLETS

(4¾ gr. Antikamnia, ¼ gr. Sulph. Codeine)

ONE SIZE ONLY

This tablet presents a most meritorious combination, especially useful in affections of the respiratory tract, neuroses of the larynx, etc. Particularly successful in all neuroses due to suppressed or irregular menstruation.

ANTIKAMNIA & QUININE TABLETS

(2½ gr. Antikamnia, 2½ gr. Bisulph. Quinine)

ONE SIZE ONLY

The therapeutical action of Quinine with Antikamnia is so well understood that the practical uses of this tablet are apparent at once. The Antikamnia prevents the ebriety and ringing sensation produced by Quinine.

ANTIKAMNIA & SALOL TABLETS

(2½ gr. Antikamnia, 2½ gr. Salol)

ONE SIZE ONLY

Hare says "Salol renders the intestinal canal antiseptic and is the most valued drug in intestinal affections." Hence this tablet is indicated in Dysentery, Chronic Diarrhoea and all disorders due to intestinal fermentation.

ANTIKAMNIA, QUININE & SALOL TABLETS

(2 gr. Antikamnia, 2 gr. Bisulph. Quinine, 1 gr. Salol)

ONE SIZE ONLY

Indicated whenever it is desired to relieve pain, administer an antiseptic, and give a tonic in Grippal, Malarial and Rheumatic conditions.

ANTIKAMNIA LAXATIVE TABLETS

ONE SIZE ONLY

Antikamnia	gr. 4¾	Aloin.....	gr. 1-32
Cascarin.....	gr. ¼	Ext. Belladonna.....	gr. 1-32
Podophyllin	gr. 1-32		

A Laxative Analgesic and Antipyretic without Quinine. Very useful.

ANTIKAMNIA & QUININE LAXATIVE TABLETS

ONE SIZE ONLY

Antikamnia	gr. 3	Aloin.....	gr. 1-32
Quin. Bisulph.....	gr. 1¾	Ext. Belladonna.....	gr. 1-32
Cascarin.....	gr. ¼	Podophyllin.....	gr. 1-32

A Tonic-Laxative, Analgesic and Antipyretic with Quinine. The "Cold" Cure.

ANTIKAMNIA (Finely Powdered)

Too much can not be said in praise of the original and only reliable Antikamnia, made solely by The Antikamnia Chemical Company of St. Louis, U. S. A. It is always uniform and therefore gives expected and desired results without untoward after-effects. When prescribing, please specify "Antikamnia—Genuine."

NATIONAL AND INTER-STATE ASSOCIATIONS

AND

SOCIETIES RELATING TO MEDICINE AND SURGERY.

AMERICAN MEDICAL ASSOCIATION.

Organized in New York May 5th, 1846, under the title of the National Convention; in May, 1847, under a reorganization, it adopted its present name. Delegates are appointed by and from permanently organized State medical societies, and such county and district medical societies as are recognized by representation in their respective State societies, and from the medical department of the army and navy of the United States, and United States marine hospital service. Membership in the Association shall be obtainable by any member of a State or county medical society recognized by the Association, upon application indorsed by the President and Secretary of said society; and shall be retained so long as he shall remain in good standing in his local society, and shall pay his annual dues to the association.

Next annual meeting will be held at St. Paul, Minn., June, 1901.

AUXILIARY MILITARY MEDICAL CORPS.

(VOLUNTEER.)

A volunteer military medical organization, the personnel of which are medical students, pharmacists, physicians and ex-army, navy and National Guard medical officers, who act respectively at Litter Bearers, Hospital Stewards, Assistant Surgeons and Surgeons.

The corps is modeled after the Volunteer Medical Staff Corps of England. On a strictly military basis; with the full complement of line officers, with its independent Adjutant, Inspector and Commissary Generals, etc.

Lectures and instructions are given by the Division or Squad Medical Commandant; this course of instruction includes, in addition to the ordinary drills and training of the infantry corps (given by the line officer in command of a company), special training in stretcher and ambulance drill, the use of improvised seats and stretchers, application of splints, bandages, etc.; transportation of the wounded and the general duties of the medical organization in the field according to the tactics of the U. S. Army Hospital Corps.

Members are enrolled for a term of four years.

Its object is to render medical aid in epidemics or catastrophies of national importance or on the field in times of riots or war.

Office of the Surgeon-in-Chief.....304 W. 104th, New York City.

ARMY MEDICAL MUSEUM AT WASHINGTON, D. C.

The Army Medical Museum was removed in 1887 from the building formerly known as Ford's Theater (Nos. 509 and 511 10th st. n. w.), and now occupies a portion of the building erected for it at the northwest corner of 7th and B streets s. w., east of the National Museum. The rest of the building is occupied by the Library of the Surgeon-General's office, a portion of the Record and Pension Division of the War Department, and the Laboratory.

The museum was founded, and a large portion of the medical and surgical specimens collected, during the war of the rebellion. Since the close of the war, however, the officers in charge have continued to collect specimens from the medical officers of the army at the several military posts, and a number of valuable specimens have been contributed by physicians engaged in private practice. Specimens of value from private physicians are always gladly received, and thus secure permanent preservation in connection with the names of the donors.

According to the report of the Surgeon-General for the fiscal year, terminating June 30, 1899, the museum contained 35,039 specimens. The collection is open to visitors daily from 9 a. m. to 4 p. m.

It is richer in specimens illustrative of the results of gunshot wounds, and of the surgical operations which they necessitate, than any other collection in the world. The other departments, though not equal to some of the wealthy and long-established museums of Europe, are nevertheless by far the most important in America, and are annually increasing in extent and value.

The library is the largest and most valuable medical library in the world. According to the Surgeon-General's latest report, it contains about 131,000 volumes and 222,000 pamphlets, and is steadily increasing. Medical men from any part of the country desirous of consulting the works in this library are courteously welcomed and granted free access.

The Curator of the Museum is Major Walter Reed, Surgeon, U. S. A., and the Library is in the immediate charge of Major J. C. Merrill, Surgeon, U. S. A. Lieut.-Col. A. A. Woodhull, Deputy Surgeon-General, is in charge of the whole, which is known as the Museum and Library Division of the Surgeon-General's office.

U. S. NAVAL MUSEUM OF HYGIENE AT WASHINGTON, D. C.

The United States Naval Museum of Hygiene, now located at 23d and E streets n. w., in the buildings recently vacated by the Naval Observatory, was organized by Congress in an Act making appropriation for its support for the fiscal year ending June 30, 1883.

The plan, briefly described, comprehends a collection that shall be illustrative of the entire range of sanitary science, the establishment of a course of lectures by authoritative sanitarians from all sections of the country, and a library of sanitary science, accessible, under proper restrictions and guarantees, to all who are engaged in the study of this branch of knowledge. The library already numbers many of the standard sanitary works in the English, French and German languages, and is constantly increasing.

The institution is fully equipped with chemical, bacteriological and physiological laboratories, and for the first time in its history has ample space for the proper classification and display of exhibits, now numbering over 2,000 specimens.

Contributions from medical men and sanitarians of the country, of essays, drawings or specimens bearing in any way upon hygiene or sanitary science are respectfully requested, and will be permanently preserved under the names of the donors.

CIRCULAR FOR INFORMATION OF PERSONS DESIRING TO ENTER THE MEDICAL CORPS OF THE U. S. NAVY.

A candidate for examination and appointment in the Medical Corps of the Navy must be between twenty-one and thirty years of age, and must apply to the Honorable Secretary of the Navy for permission to appear before the Naval Medical Examining Board.

The application must be in the handwriting of the applicant, stating age and place of birth, also the place and State of which he is a permanent resident; and must be accompanied by letters or certificates from persons of repute, testifying from personal knowledge to his good habits and moral character, and that he is citizen of the United States.

FORM OF APPLICATION.

Sir: I request permission to be examined for an appointment as Assistant Surgeon in the United States Navy.

I was born at, and was . . . years of age on the day of, 1. . ., and am a citizen of the United States, residing in county of, in the State of

I enclose herewith certificates as to moral character, habits, and citizenship.

Very respectfully,

The Honorable Secretary of the Navy,
 Navy Department, Washington, D. C.

If, in reply to the above, the candidate receive a permit, he will notify the President of the Board of the fact, and request him to appoint a time for his examination.

Candidates will be expected to present to the Board testimonials of educational and professional fitness.

The Boards are required, under oath, to report on the physical, mental, moral, and professional qualifications of the candidate, so that the examinations are necessarily rigid and comprehensive, though simple and practical, and not beyond the attainments of any well-educated physician.

A successful candidate, upon completion of his examination, will be notified by the President of the Board that he has been found qualified.

An applicant found "not qualified" may be allowed a second examination after one year, but not a third.

No allowance will be made for the expenses of persons undergoing examination, which, if uninterrupted, is usually completed within ten days.

Appointments will be made as vacancies occur, and in the order of merit reported by the Board, but a qualified candidate, not appointed within a year, must be re-examined.

The officers of the Medical Corps of the Navy are as follows: Medical Directors, Medical Inspectors, Surgeons, Passed Assistant Surgeons, and Assistant Surgeons.

Vacancies in these grades (by death, or retirement at the age of sixty-two years) are filled in the order of seniority, and for each promotion a physical and a professional examination is required by law.

Assistant Surgeons are examined at the expiration of three years' service, and, if successful, become Passed Assistant Surgeons.

ORDER OF EXAMINATION.

I.—Physical. II.—Written. III.—Oral. IV.—Clinical. V.—Practical.

I. PHYSICAL EXAMINATION.

The physical examination will be thorough, and the candidate will be required to certify, under oath, that he is free from any mental, physical, or constitutional defects.

II. WRITTEN EXAMINATION.

1. The candidate will be required to address a letter to the Board of Examiners, stating concisely—

(a) The date and place of his birth; the school or college at which he received his general education; the medical school or schools at which he received instruction, and, if an alumnus, the date of his graduation and the time when he commenced the study of medicine, also the title of the text-books studied.

(b) The opportunities he has had of engaging in the practice of his profession, and whether he has or has not been a resident physician or interne in a hospital.

(c) The candidate will append to this letter his name in full, postoffice address, and his local address at the date of the examination.

2. A thesis or short essay must be prepared (without reference to notes or books) upon some professional subject indicated by the Board; and answers will be required on the usual professional subjects, including hygiene and quarantine; also, general history and literature, physics, and the elements of botany, geology, and zoology.

III. ORAL EXAMINATION.

The candidate will be examined orally upon his literary and scientific acquirements, and upon the usual professional branches, including hygiene and microscopy.

IV. CLINICAL EXAMINATION.

The clinical examination of patients will be made by the candidate at a naval hospital, and will include the use of the microscope, thermometer, laryngoscope, ophthalmoscope, and other aids to physical diagnosis; after which he will be required to submit a written report on one or more cases.

V. PRACTICAL EXAMINATION.

The practical examination will comprise surgical operations on the cadaver, the application of splints, bandages, and surgical dressings, the use of the microscope (for clinical purposes and the recognition of pathological or other specimens), and chemical and pharmaceutical manipulations.

A candidate may withdraw at any period of the examination, with the consent of the Board, and may, at a future time, present himself for re-examination.

The Board may conclude the examination (written, oral, or practical) at any time, and may deviate from this general plan in such manner as it may deem best to insure the interest of the naval service.

JOHN D. LONG, Secretary.

NOTE.—For further information apply to President Naval Medical Examining Board, Naval Laboratory and Department of Instruction, Brooklyn, N. Y.

THE HOSPITAL CORPS, U. S. NAVY.

I. The Hospital Corps of the Navy, established by Act of Congress approved June 17, 1898, consists of the following grades and rates:

(a) Pharmacists; pay of warrant officers.

Period.	At Sea.	On Shore Duty.	On Leave or Waiting Orders.
First three years after date of appointment.....	\$1,200	\$ 900	\$ 700
Second three years after date of appointment.....	1,300	1,000	800
Third three years after date of appointment.....	1,400	1,300	900
Fourth three years after date of appointment....	1,600	1,300	1,000
After twelve years from date of appointment.....	1,800	1,600	1,200

(b) Hospital Stewards (classified as chief petty officers, special branch), \$60 per month.

(c) Hospital Apprentices, first class (classified as petty officers, third class, special branch), \$30 per month.

(d) Hospital Apprentices (classified as seamen, second class, special branch), 20 per month.

II. The term of enlistment in the rates of hospital steward, hospital apprentice (first class), and hospital apprentice is for four years.

No allowance will be made for traveling and other expenses attending the examination of applicants.

On original enlistment, applicants for admission into the hospital corps, U. S. Navy, must be between the following mentioned ages:

Hospital stewards.	21 to 30 years
Hospital apprentices (first class) ..	21 to 28 years
Hospital apprentices.	18 to 25 years

III. Physical and professional examinations by one or more medical officers will be required for enlistment and promotion in each of the above-mentioned grades and rates.

Appointments in the grade of pharmacist will be made from hospital stewards now in the service, and all future vacancies in said grade will be filled by selection from the list of hospital stewards.

Hospital stewards for the present must be between twenty-one and thirty years of age. As soon as practicable, they will be selected from hospital apprentices (first class).

Hospital apprentices (first class) must be between twenty-one and twenty-eight years of age. They will be enlisted for the present from candidates found qualified. At a later date they will be selected from hospital apprentices.

Hospital apprentices must be between eighteen and twenty-five years of age. Candidates will be examined in arithmetic, orthography, writing (legible and grammatical), geography, and history of the United States. Hospital training and a knowledge of nursing will be to the advantage of the applicant.

IV. No person will be enlisted or retained in the hospital corps of the Navy who is addicted to the use of intoxicating liquor, or who at any time gives evidence of intemperance.

JOHN D. LONG, Secretary.

CAUTION.

Beware of so called Medical Directories, plagiarized from R. L. Polk & Co.'s Medical and Surgical Register of the U. S. and Canada, in violation of the copyright laws.

We have positive proof that some of the so-called State Medical directories issued since August, 1898, were copied from our 1898 Register and palmed off as new and original works.

Our friends will confer a favor upon us as well as render a service to the medical profession by promptly notifying us of such attempted frauds.

This is the first instance that has come to the knowledge of the Board of any diplomas of this school being held in this country and presented as a qualification to practice medicine. Diplomas of this institution were sold in Scotland several years ago, and the attention of the Board was called to the same by Hon. John Eaton, then U. S. Commissioner of Education. Through prosecutions during the year 1885, in Germany, it has been ascertained that parties held diplomas from this institution in that country. This so-called institution never had a legitimate existence; only one of the original incorporators and officers is now living, and he says that he never signed a diploma."—Illinois State Board of Health.

The Walter Sanitarium,

WALTER'S PARK, PA.

The most delightfully located of all Sanitariums.

Two hours from Reading Terminal, Philadelphia; four hours from New York—Jersey Central Railroad, foot of Liberty Street. Wernersville Station.

On the hillside overlooking one of the most beautiful valleys in the world. Natural park of 600 acres.

SCENERY often declared by travelers "equal to anything in Europe or America."

AIR pure, dry, bracing. Malaria absolutely unknown among the residents. Mosquitoes equally so. One thousand feet above tide water.

CLIMATE for winter or summer said to be "the finest in the world."

WATER similar to, but (by actual analysis) purer than Poland. Write for analysis.

BUILDINGS of granite rock, 300 feet front, 5 stories in height; erected for their present purposes by their present owners and managers to answer their needs as physicians. Heated by steam and open grates. Lighted by electricity (our own electric light plant). Hydraulic elevator. Finished and furnished in excellent style. An extensive patronage of cultivated people.

EXTENSIVE APPLIANCES. Baths, Massage, Electricity, Swedish Movement Cure (operated by water motors), Vacuum Treatment, Spinal Stretchings, Scientific Medication.

Forty years of personal and professional experience with sanatory methods for the cure of human ailments enable us to speak of their value with somewhat of authority.

Excellent livery—standard-bred horses and Shetland ponies. Fine Jersey Dairy.

Allouez=Magnesia

The Natural Specific for

Diabetes, Bright's Disease, Albuminuria, Cystitis, Jaundice, Rheumatism, Insomnia, Gout, Nervous Prostration, Calculi, Dropsy and the Disorders of Digestion.

Successfully employed by the Medical Profession as a uric solvent, tonic regulator, and eliminating agent in nervous and renal disorders. Extremely pleasant to the taste, well borne by the stomach, prompt, safe and efficient. Pronounced by eminent medical authorities, after exhaustive clinical tests, to be a **positive discovery** in the therapeutics of Diabetes, Bright's disease, and the uric acid diathesis.

S. BARUCH, A. M., M. D., New York City, Lexington Ave., cor. 79th St.

"I have used the **Allouez Magnesia Water** in the treatment of a number of cases of Diabetes and have had good results in all; in some the success was so remarkable that I hope every physician will give **Allouez Water** a fair trial."

L. W. HAWK, M. D., Rochester, N. Y.

"I have used **Allouez Magnesia Water** very satisfactorily in a case of **albuminuria of pregnancy**. The quality of Albumen did not seem to increase as pregnancy advanced, and patient passed the period very comfortably with no bad symptoms whatever. The urine at present shows no trace of albumen."

E. L. WYMAN, M. D., Manchester, Vt.

"I am convinced by the results obtained that **Allouez Magnesia Water** is well worth the using.

"The patient, a young woman, who is taking **Allouez** for Diabetes, has improved very much, the last analysis showing no sugar."

Prof. CLIFFORD MITCHELL, A. M., M. D., Chicago.

"However skeptical, I could hardly close my eyes to the favorable results obtained. I wrote a paper about the water (Allouez), which was read at Omaha. I took the ground that the water was well worthy of trial. Was curious to learn whether other physicians would get as good results. Since that time I have had a number of grateful letters, the first in my experience in treating **Diabetes**. 'I am better than in years,' writes one man. 'It has been a God-send,' says another. 'A thousand thanks,' says a third. Two of the most striking instances of immediate relief or cure have occurred within the last month. Dr. B. F. Bailey, of Lincoln, Neb., has used it lately in a typical case of **diabetes mellitus**, with hunger, thirst, polyuria, and abundance of sugar, and reports to me that the patient is already virtually cured. Finally, on Sept. 30, 1896, I prescribed it to a patient who was passing 94 ounces of urine, of specific gravity, 1.024, containing 3 per cent. of sugar, or 1410 grains in 24 hours. November 7th, the urine came to me in the following condition: Quantity, 49 fluid ounces; specific gravity, 1.016; sugar, none. This in about five weeks' time! The patient reports a marked change for the better in all subjective symptoms. Inasmuch as many of the patients, who have been benefited or cured by the water, had resisted the action of familiar drugs, as jumbul, arsenic, lithia, and codeine, I ask the question: **is it a discovery in the therapeutics of diabetes?**"

C. M. KOIER, M. D., Chicago.

"In **Diabetes** I consider **Allouez Water Indispensable**. I have treated four cases of Diabetes Mellitus in the incipient stage, which yielded readily to the water, and several advanced cases which yielded after protracted use."

WESLEY DAVIS, M. D., Worcester, Mass

"Have obtained decided benefit from its use in diabetes, Bright's disease, chronic rheumatic affections and stomach derangements."

P. O'KEEF, M. D., Menominee, Mich.

"After continued treatment, including a milk diet, and consultation, as a last resort I prescribed **Allouez** alone, in the case of a young man suffering from **Bright's Disease** (**acute parenchymatous nephritis**), and the prompt results obtained were extremely gratifying. When placed on the water the kidneys were enlarged and very tender and could be seen bulging the sides and front of the abdomen. The urine was heavily loaded with albumen, tube casts, and broken down tissue, having a specific gravity of 1.008, and excretion amounted only to 6 to 8 ounces in 24 hours. After a few days the urine increased rapidly to 90 ounces in 24 hours, with specific gravity at 1.014. The urine gradually became clearer, and in about two weeks the quantity passed in 24 hours decreased from 90 to 60 ounces, and specific gravity became normal."

A. H. LEVINGS, M. D., (Pres. College Physicians and Surgeons, Milwaukee).

"During the past summer I suffered from an aggravated case of **Catarrhal Jaundice**. **Allouez** was of great benefit to me, and aided very materially in my recovery."

R. A. NEALE, A. M., M. D., Chicago.

"I have prescribed **Allouez Magnesia Water** for the past two years with entire satisfaction. Most remarkable results have been obtained from its use in **Rheumatic Gout, Diabetes and Bright's Disease**."

C. M. De BEY, M. D., Chicago.

"I notice a splendid improvement in my Diabetic patient. The abnormal thirst is gone, sugar shows decrease of 70 per cent; specific gravity which at first test was 1.054, is now 1.022; quantity of urine passed now is about normal."

E. J. ROTHWELL, M. D., Denver, Colo.

"The fact that I now have twelve patients using **Allouez** would indicate the satisfactory results obtained. In diabetes, nephritis and the uric acid condition it is excellent."

L. A. KENGLA, M. D., San Francisco, Cal.

"**Allouez** is a remedy of great merit in diabetes and albuminuria. A powerful eliminative."

The Popular Scenic Route

BETWEEN

CHICAGO, NEW YORK and PHILADELPHIA.

SOLID VESTIBULED TRAIN SERVICE VIA

Grand Trunk Railway System

IN CONNECTION WITH THE

Picturesque Lehigh Valley Railroad, via Niagara Falls.

**GRAND TRUNK NEW SINGLE ARCH DOUBLE TRACK STEEL BRIDGE
OVER THE NIAGARA RIVER.**

The new bridge is a single steel arch of 550 feet in length, supplemented by a trussed span, at either end, of 115 feet in length. This with the approaches, makes the total length of the bridge slightly over 1,100 feet. The railway tracks surmounting the bridge are 252 feet above the water. The bridge has two decks or floors. On the upper floor there are two tracks for railway purposes exclusively, while the lower floor contains a wide central carriageway, double electric railway tracks, and on either side passageway for pedestrians.

As an evidence of the enormous strength of this beautiful structure, the arch is designed to carry on each railway track a load of two locomotives with four pairs of drivers each and 40,000 pounds on each pair, followed by a train of 3,500 pounds per running foot, and is designed to carry in addition a live load of 3,000 pounds per running foot on the lower floor. The general public will, however, probably be better able to arrive at a correct understanding of the enormous sustaining power of the new bridge by the fact that it is calculated to sustain a weight of something over six times the sustaining capacity of the historic Suspension Bridge, which it replaces.

L. VAN ES, M. D., Demonstrator in Laboratory of Histology, Pathology and Bacteriology.

The thirty-fifth annual course of instruction will begin October, 1900, and continue six calendar months. The course of study is strictly graded, embracing four terms of six months each, in four separate years. It includes a Department of Pharmacy, didactic and clinical lectures and demonstrations, supplemented by recitations and quizzes conducted by professors and special instructors, and practical laboratory work in Chemistry, Pharmacy, Anatomy, Microscopy, Physiology, Histology, Pathology, Bacteriology and Operative Surgery.

The Department of Pharmacy has recently been equipped by the University Trustees with every desirable appliance for pursuing the various branches of study required. The course is largely practical, involving much laboratory work.

The college building is large and commodious, and admirably adapted to the purposes of medical instruction. The several laboratories are admirably well appointed and equipped with the latest modern appliances, and afford ample and convenient facilities for the practical work exacted of students in the several departments to which they are devoted.

The rooms for Practical Anatomy are large, well lighted and ventilated, and the supply of material abundant. The medical and surgical clinics are held daily at the City Hospital and College Dispensary, where abundant clinical material is offered in every department of medicine and surgery.

Alabama extends from 30 degrees 12 minutes north latitude to 35 degrees north latitude, a distance of 331 miles; and from 84 degrees 55 minutes to 88 degrees 35 minutes west longitude, a distance of 214 miles, and is in the same latitude as Palestine, Northern Africa, Central China and Southern Japan. It is bounded on the east by Georgia, on the south by Florida and the Gulf of Mexico, on the west by Mississippi and on the north by Tennessee, and comprises an area of 50,722 square miles, or 32,462,080 acres. The climate is warm and semi-tropical. The northern portion is considerably colder than the southern, which is accounted for more by its greater elevation than from its higher latitude. The mean annual temperature is 62.37 degrees as observed at Auburn, which is situated near the geographical center of the State. The mean annual temperature in the valley of the Tennessee river is 60 degrees, and in the extreme south about 69 degrees. The rainfall of the State is quite noteworthy, averaging 63 inches, which is distributed with tolerable regularity throughout the seasons. The mineral springs are famous for their medicinal qualities. The following table shows the increase in population for 70 years:

1820	127,901	1860	964,201
1830	309,527	1870	996,992
1840	590,756	1880	1,262,205
1850	771,623	1890	1,513,017

Rate of mortality in Alabama, as computed from the U. S. census of 1890:

Population.	Deaths in 1890.	Rate per 1,000	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,513,017	20,898	13.81	10,307	10,591	12.36	15.60

Total number of deaths from consumption during 1890 was 2,163, which was at the rate of 1.43 per 1,000 of population, or 103.50 per 1,000 total deaths.

For list of Medical Colleges, see page 131.

STATE BOARD OF HEALTH.

The Medical Association of the State of Alabama—Secretary, George P. Waller, M. D., Montgomery; State Health Officer, Wm. H. Sanders, M. D., Montgomery.

BOARDS OF MEDICAL EXAMINERS.

The authorized Boards of Medical Examiners are the Board of Censors of the State Medical Association, which is known as the State Board, and the Boards of Censors of the County Medical Societies holding charters from the State Medical Association. There are sixty-six of these county societies, and therefore sixty-six county boards of medical examiners.

MEDICAL LAWS OF ALABAMA.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF ALABAMA.

Be it enacted by the General Assembly of Alabama:

Section 1. That no person, except those proposing to practice some irregular system of medicine, shall be permitted to practice medicine in any of its branches or departments as a profession and means of livelihood in the State without having obtained a certificate of qualification from some authorized board of medical examiners as hereinafter provided.

2. That no person shall be permitted to practice any irregular system of medicine in any of its branches or departments as a profession or means of livelihood in this State without having obtained a diploma or certificate of qualification in anatomy, physiology, chemistry, and the mechanism of labor, from some authorized board of medical examiners as hereinafter provided.

3. That the Board of Censors of the Medical Association of the State of Alabama, organized according to the constitution of the said Medical Association of the State of Alabama, which was adopted at its annual meeting at the city of Tuscaloosa, in March, 1873, and the boards of censors of the several county medical societies which are in affiliation with the said Medical Association of the State of Alabama, and organized in accordance with the provisions of the constitution just mentioned, be and are hereby constituted the authorized Boards of Medical Examiners referred to in the first section of this act.

4. That the standard of qualifications required of persons desiring to practice medicine in this State, together with the rules for the government of the authorized boards of medical examiners, shall be such as may be determined from time to time by the said Medical Association of the State of Alabama, in accordance with the provisions of its said constitution of 1873.

5. That every diploma or certificate of qualification authorizing any person to practice medicine in this State, which shall be issued by any authorized board of medical examiners, shall be presented to the Probate Judge of the county in which said person resides, who shall officially endorse the same, and seal it with the seal of the county, and who

shall also cause a full and fair copy of the same to be made in a well-bound book to be kept for that purpose, and called the register of licensed practitioners of medicine, and for this service shall be entitled to a fee of one dollar: Provided, That said Medical Association, nor any board of censors in affiliation with it, shall be allowed to charge any fee for any diploma or certificate of qualification which may be granted by it.

7. That all persons who shall be legally engaged in the practice of medicine in any county of this State, before the organization of the board of medical examiners of said county, all persons who at any time have been legally engaged in the practice of medicine in this State, and who are now authorized to practice medicine in this State, shall be entitled to the certificate of the board of medical examiners, and to be inscribed in the register of licensed practitioners of medicine without examination as to qualification.

8. That the provisions of this act shall take effect in any county of this State whenever the board of medical examiners for said county shall have organized, as hereinbefore provided, and the fact of such organization officially communicated to the probate judge of said county by the board of censors of the Medical Association of this State.

9. That none of the provisions of this act shall apply to females who now or may hereafter be engaged in the practice of midwifery: Provided, said females practice no other branch or department of medicine.

10. That all laws and parts of laws in conflict with the provisions of this act, be and the same are hereby repealed, and this act shall be in force from and after its passage.

Approved February 9, 1877.

Amended 1891.

Sec. 6. Any person practicing medicine or surgery in this State without having first obtained a certificate of qualification from one of the authorized boards of medical examiners of this State, shall be guilty of a misdemeanor, and on conviction thereof shall be fined not less than twenty-five dollars, nor more than one hundred dollars: Provided, That this act shall not apply to any doctors or physicians now practicing in Alabama, who are graduates of a respectable medical college, and have complied with the law by having their diplomas recorded by the judge of probate in the county in which they may be practicing medicine, and this act shall not apply to any physician who has practiced medicine in this State for the past five years.

Approved February 18, 1891.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 34, 35, 36.)

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 34, 35, 36.)

Alaska was purchased from Russia by the United States, in 1867, for \$7,200,000 in gold, and extends from the Diomed Islands in Behring Straits in N. latitude 66°, W. longitude 168° 50', eastward along the shore of the Arctic ocean to W. longitude 143°, N. latitude 69° 30', and from the Diomed Islands southward to N. latitude 50°, W. longitude 168°; thence eastward to the 143 meridian. It is a peninsula situated in the extreme northwestern portion of North America, and comprises an area of 577,390 square miles, or 369,529,600 acres.

The mean annual temperature at Sitka is about 44° F. The coast is warmed by the Japan current, which in the Pacific is the counterpart of the Gulf stream in the Atlantic. The warm, moist sea air, meeting a cold current from the mountains, causes frequent fogs and rains along the southern coast. The average rainfall is between 80 and 85 inches, the months of September and October being especially wet.

No reliable mortality statistics are obtainable.

Arizona extends from 109 degrees to 114 degrees, 47 minutes, 6½ seconds longi-
tude west of Greenwich, and from 31 degrees, 19 minutes, 24 seconds, to 37 degrees
north latitude, and is bounded on the north by Utah and Nevada, on the east by
New Mexico, on the west by California and Nevada, and on the south by the
Republic of Mexico. It comprises an area of 113,916 square miles, or 72,906,240
acres, or nearly three times the size of New York State.

The territory was organized in 1863.

The climate is salubrious and pleasant, except in the lower sections near the
Gila and Rio Colorado, where the summers are excessively hot. Rainfalls occur
during the months of June, July, August and September, but numerous streams,
fed by never failing springs and melting snow, supply all the water that is needed
for farming purposes.

The following table shows the increase in population for twenty years:

MEDICAL LAWS OF ARIZONA.

AN ACT TO AMEND AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN ARIZONA.

Be it enacted by the Legislative Assembly of the Territory of Arizona:

Section 1. It shall be unlawful for any person to practice medicine, surgery or obstetrics in Arizona unless such person shall have obtained a diploma regularly issued by a medical college properly and lawfully organized under the laws of the State or Territory wherein said college shall be located.

Sec. 2. It shall be unlawful for any person to practice medicine, surgery or obstetrics in Arizona unless such person shall have passed a satisfactory examination before the examining board hereinafter provided; and provided further, that the provisions of this act shall not apply to women who have practiced obstetrics; provided further, that the provisions of this act shall not apply to resident practicing physicians or surgeons who have already complied with the present existing laws.

Sec. 3. There shall be established in Arizona a Board of Medical Examiners. Said Board shall consist of five members, to be appointed by the Governor within thirty days after the passage of this act, each of whom shall be a graduate physician of at least five years' consecutive practice, and who shall be at the time of their appointment actually engaged in the practice of medicine, and a bona-fide citizen of Arizona, one of whom shall be appointed for the term of one year, one for the term of two years, one for the term of three years, one for the term of four years, one for the term of five years. And hereafter it shall be the duty of the Governor to appoint or reappoint examiners every year as the terms of those heretofore appointed shall terminate, either by resignation, death, or expiration of their term of office. Said appointments shall be made so that said Board of Examiners shall consist of two physicians of the so-called regular school of medicine; and two of the so-called Homeopathic School of Medicine, and one of the

so-called Eclectic School of Medicine. Each applicant shall pay the fee of five (\$5.00) dollars before examination, which shall be the only compensation of said Board of Examiners.

Sec. 4. Said Board of Examiners shall organize by electing one of their number as president and one as secretary, and make rules and regulations for the government of said Board. Said Board shall meet quarterly, and at such other times as the Board may deem advisable, and examine all persons eligible to practice medicine under this act; but the examination of each applicant shall be conducted by the members of whichever school of medicine the applicant may choose, and upon their approval a certificate shall be issued by the Board.

Sec. 5. Any person shall be regarded as practicing medicine who shall profess publicly to be a physician, or who shall prescribe for the sick; but nothing herein contained shall be construed to prohibit gratuitous services in cases of emergency, or for a physician or surgeon of the United States army in the discharge of their duties as such; but none of the provisions of this act shall apply to those who are now and who have heretofore legally practiced medicine in Arizona.

Sec. 6. Any person violating any of the provisions of this act shall be guilty of a misdemeanor, and upon conviction thereof shall be fined in any sum not less than one hundred (\$100.00) dollars nor more than three hundred (\$300.00) dollars, or by imprisonment in the county jail for a period of not less than three months nor more than six months, or by both such fine and imprisonment at the discretion of the courts.

Sec. 7. All acts and parts of acts conflicting with this act are hereby repealed; and this act shall take effect and be in force from and after its passage.

Approved March 18, 1897.

ARKANSAS.

CAPITAL. LITTLE ROCK.

Population of State, 1,128,179.
(Census of 1890.)

Males	585,755	Native	1,113,915
Females	542,424	Foreign	14,264
Whites	818,752	Chinese	92
Colored	309,117	Indians	218

Number of Physicians, 2402.

Arkansas extends from 33 degrees N. latitude to 36 degrees 30 minutes N. latitude, and from 89 degrees 32 minutes W. longitude to 94 degrees 38 minutes W. longitude, and is bounded on the north by Missouri, on the west by the Indian Territory and Texas, on the south by Louisiana, and on the east by the Mississippi river, which separates it from Mississippi and Tennessee.

It was organized as a territory in 1812, and admitted as a state in 1836.

The climate is mild, the mean annual temperature in the northern part being about 58 degrees, in the central 61 degrees, and in the southern 64 degrees. The northwestern portion is the coldest, and the southeastern the hottest. The rainfall varies from 54 inches in the southeast to 40 in the northwest.

The following table shows the increase in population for seventy years:

1820.....	14,255	1860.....	435,450
1830.....	30,388	1870....	484,471
1840.....	97,574	1880.....	802,525
1850.....	209,897	1890.....	1,128,179

Rate of mortality in Arkansas, as computed from the United States census in 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,128,179	14,391	12.76	10,764	3,627	13.15	11.72

Total number of deaths from consumption during 1890 was 1,209, which was at the rate of 1.07 per 1,000 of population, or 84.01 per 1,000 of total deaths.

Be it enacted by the General Assembly of the State of Arkansas:

Section 1. The County Courts of the several counties of this State shall appoint a County Board of Medical Examiners in and for their respective counties; the said Board shall consist of three members, learned in the sciences of medicine and surgery, of good moral character, and duly registered, and two members of said Board shall be graduates of some reputable medical college. The members of said Board shall organize by taking the oath of office prescribed by the Constitution and electing one of their members Secretary, and they shall hold at least two meetings a year at their county sites. The members of said County Boards shall hold their offices for a period of four years, and said Board shall again be filled by appointment by the County Court; and all vacancies shall be filled by like appointment: Provided, the County Judge may at any time remove any County Examiner for drunkenness or other immoral conduct.

Sec. 2. In counties having two judicial districts there may be appointed two separate Boards, one for each district, in the same manner and with like effect as provided by this act for separate counties.

Sec. 3. The County Board of Medical Examiners is authorized to examine all persons who may desire to practice medicine who are residents of the county with the Board that may apply, and if found qualified to practice medicine and surgery, issue a certificate which shall entitle the holder to practice in the county in which it is issued or in any county into which his practice may extend, so long as his residence remains in the county wherein the certificate is issued.

Sec. 4. Such applicant shall pay the County Board a fee of six dollars for the examination.

Sec. 5. That sections 4968, 4969 and 4970 (of Sandels & Hill's Digest) be and the same are hereby repealed, and all other laws in conflict herewith are repealed, and this act shall take effect and be in force from and after its passage.

(This bill having been returned by the Governor with his objections thereto, and after reconsideration having passed both houses by the constitutional majority, it has become a law this 26th day of March, 1895.

POTASH SULPHUR WATER
From HOT SPRINGS, ARK.

Has the endorsement of all leading physicians as being the very best mineral water for kidney, stomach, liver and urinary troubles. It is a specific for all ailments caused from excess of uric acid. Its healing effect in Bright's disease is simply wonderful.

MINERAL ANALYSIS.

	Grains per gallon		Grains per gallon
Silica,	2.616	Sodium and Potassium Chlorides,	.695
Oxide of Iron and Aluminium,	.046	Sulphate of Potassium,	1.070
Carbonate of Lime,	.263	Sodium and Potassium Carbonates,	13.015
Carbonate of Magnesia,	Trace		
Sodium and Potassium Sulphates,	28.103		50.808

Contains nearly 51 grains solid matter per U. S. wine gallon of 231 cubic inches. We would consider this a very desirable water in all cases in which Seidlitz Powders and all this class of salt preparations are largely used. The presence of the large amount of soluble sulphates, in which we find the above amount of Sulphate of Potash, in combination with the soluble Carbonates (which gives the water an alkaline reaction), makes it a most efficient laxative water, and would be very beneficial in many kinds of stomach troubles, as well as those of the liver and kidneys. DEARBORN DRUG AND CHEMICAL WORKS, Edgar & Mariner, Chemists. Price, \$6.00 per case of 50 quarts, F. O. B. Lawrence, Ark. E. E. WOODCOCK, Proprietor, Lawrence, Ark. Price, \$7.50 per case of 100 pints, F. O. B. Lawrence, Ark.

* The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

CRESCENT HOTEL

Eureka Springs, Ark.,

Situated at the southern terminus of the Eureka Springs Railway, nineteen miles from Seligman, Mo. (junction with St. Louis & San Francisco Railroad). The fame and reputation of this wonderful health and pleasure resort have become world-wide. The curative properties of the waters have no equal on the American Continent. Many invalids are cured annually at Eureka Springs, and visitors are constantly here throughout all seasons. The waters are a certain cure for diseases, viz.: Kidney troubles, cancers, rheumatism, dyspepsia, paralysis and all blood, skin and eye troubles. Please write to Manager Crescent Hotel for copy of handsome new illustrated pamphlet on Eureka Springs, which will be mailed free of charge.

The Hot Springs Keeley Institute

Located at America's Greatest Health Resort, the famous Hot Springs of Arkansas.

Treats the LIQUOR, OPIUM or MORPHINE, COCAINE and TOBACCO ADDICTIONS and NEURASTHENIA.

THIS INSTITUTE offers especial advantages for the treatment of the above named addictions. The Hot Springs waters form a valuable adjunct to the treatment, and each patient is given a course of the hot baths. The treatment and remedies used are identical with those given at Dwight, Ill. No better place can be found for those desiring seclusion and wishing to conceal the facts.

THE INSTITUTE has recently moved into new and more commodious quarters, having purchased a property fitted with the modern conveniences. The location is on one of the best and most pleasant avenues in the city. The Park Avenue cars pass the door every ten minutes.

CORRESPONDENCE concerning rates and the reservation of rooms is solicited. Rooms reserved only on contract and a reasonable deposit. All correspondence strictly confidential. Address either

"The Fountain Head," within
Ten Feet of the Spring.

MAURICE BATH HOUSE,

**HOT SPRINGS,
ARKANSAS.**

Is situated at the very
FOUNTAIN HEAD of
these great healing
springs, and uses the en-
tire flow of one of the
largest and hottest; this
being the only spring left
open on Bath House

Row, where the visitor can see and drink the water as it flows from the moun-
tain side, insures the patrons the water in all its purity.

There are twelve large and commodious parlors, sixty private dressing rooms,
reading and smoking parlors, and a complete gymnasium. The bath rooms and
halls are fully equipped with wicker couches and lounging chairs. The tubs are
roll rim, of the largest and finest design. The house is heated throughout by
steam, the temperature of the parlors and cooling rooms being graduated, thus
removing all danger of contracting colds.

The Massage and Electric Department is complete in every detail, and under
the supervision of Prof. Francis F. Hellwig, a graduate of the Medical Clinic of
Moscow, Russia, assisted by both male and female operators.

All letters of inquiry regarding rates, etc., will receive prompt attention.

California, the second largest state in the Union, extends from 32 degrees 34 minutes to 42 degrees N. latitude, and from 114 degrees 8 minutes to 124 degrees 24 minutes W. longitude, and is bounded on the north by Oregon, on the east by Nevada and Arizona, on the south by Mexico, and on the west by the Pacific ocean. It comprises an area of 188,981 square miles, or 120,947,840 acres. It is naturally divided into four distinct regions: 1. The Coast Ranges; 2. The Sierra Nevada; 3. The Central Valley; 4. The Southwestern Region. California has but two large rivers, the Sacramento and San Joaquin, which traverse the Great Central Valley in opposite directions and empty into Suisun Bay, and the Klamath and Salinas and numerous smaller streams drain the state. The climate of California varies considerably in different portions, the mean annual temperature in the north being below 50 degrees F., while in the southeastern portion it exceeds 70 degrees F. The mean annual temperature at San Francisco for a period of eleven years was 55.23, and at Fort Yuma for a corresponding period, 74.77. In San Francisco rain falls freely during November and December, and the hottest months are September, October, August and July, in the order named.

The interior of the state, not being influenced by the sea, has a continental climate, and the greater the distance from the ocean the colder the nights and the warmer the days. The average annual rainfall increases from S. to N., and in the Sierra Nevada with the altitude; in Fort Yuma it is but 4 inches; in San Diego, 9.16; in Sacramento 19.56; in San Francisco, 21.69; and in the Sierra, at an altitude of 5,000 feet, 45 inches and more.

The state has as valuable mineral springs as can be found anywhere, rivaling the famous spas of Europe. Dr. Winslow Anderson, in his work, "Mineral Springs and Health Resorts of California," says:

"In California we have over two hundred cold and hot mineral springs, ranging from the cool, delicious, effervescent soda and sparkling vichy to the ferruginous, saline, alkaline and sulphurous wells, ever ready and overflowing, to be utilized for the healing of the 'many ills to which the flesh is heir.'

"When our California springs become more generally known, and their similarity to the famous European spas is better understood, our invalids may not find it necessary to undertake the long, tedious, expensive, and in many instances hazardous journey, when they can find right here in California, at their very doors, as it were, almost the identical waters, with all the conveniences and luxurious accommodations found abroad, and with the additions of a variety of food products and a pure, dry and balmy atmosphere, and an invigorating and stimulating climate unequaled in any other country in the world."

The following shows the increase of population for forty years:

1850.....	92,597	1880	864,694
1860.....	370,994	1890	1,208,130
1870.....	582,031		

Rate of mortality in California, as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,208,130	17,713	14.65	16.422	1,281	14.77	13.28

Total number of deaths from consumption during 1890 was 2,889, which was at the rate of 2.39 per 1,000 population, or 163.19 per 1,000 of total deaths.

MEDICAL LAWS OF CALIFORNIA.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF CALIFORNIA.

(Approved April 3, 1876.)

The people of the State of California, represented in Senate and Assembly, do enact as follows:

Every person practicing medicine in any of its departments shall possess the qualifications required by this act. If a graduate in medicine, he shall present his diploma to one of the Boards of Examiners herein named, for verification as to its genuineness. If the diploma is found genuine, and if the person named therein be the person claiming and presenting the same, the Board of Examiners shall issue its certificate to that effect, signed by all the members thereof, and such diploma and certificate shall be conclusive as to the right of the lawful holder of the same to practice medicine in this State. If not a graduate, the person practicing medicine in this State shall present himself before said Board, and submit himself to such examinations as the said Board shall require; and if the examination be satisfactory to the examiners, the said Board shall issue its certificate in accordance with the facts, and the lawful holder of such certificate shall be entitled to all the rights and privileges herein mentioned. (Amended by Act of 1878.)

Sec. 2. Each State Medical Society incorporated and in active existence on the tenth day of March, eighteen hundred and seventy-six, whose members are required to possess diplomas or licenses from some legally chartered medical institution in good standing, shall appoint annually a Board of Examiners consisting of seven members, who shall hold their office for one year and until their successors shall be chosen. The examiners so appointed shall go before a county judge and make oath that they are regular graduates and licentiates, and that they will faithfully perform the duties of their office. Vacancies occurring in a Board of Examiners, shall be filled by the society appointing it, by the selection of alternates or otherwise. (Amended by Act of 1878.)

Sec. 3. The Boards of Examiners shall organize within three months after the passage of this act. They shall procure a seal, and shall receive through their secretary applications for certificates and examinations. The president of each Board shall have authority to administer oaths, and the Board take testimony in all meetings relating to their duties. They shall issue certificates to all who furnish satisfactory proof of having received diplomas or licenses from legally chartered medical institutions in good standing. They shall prepare two forms of certificates, one for persons in possession of diplomas or licenses, the other for candidates examined by the Board. They shall furnish the county clerks of the several counties a list of all persons receiving certificates. In selecting places to hold their meetings, they shall, as far as is reasonable, accommodate applicants residing in different sections of the State, and due notice shall be published of all their meetings. Certificates shall be signed by all the members of the Board granting them, and shall indicate the medical society to which the Examining Board is attached.

Sec. 4. Said Boards of Examiners shall examine diplomas as to their genuineness, and if the diplomas shall be found genuine as represented, the secretary of the Board of Examiners shall receive a fee of one dollar from each graduate or licentiate, and no further charge shall be made to the applicant; but if it is found to be fraudulent, or not lawfully owned by the possessor, the Board shall be entitled to charge and collect twenty dollars of the applicant presenting such diploma. The verification of the diploma shall consist in the affidavit of the holder and applicant that he is the lawful possessor of the same, and that he is the person therein named. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and official seal of such officer, if he have a seal. Graduates may present their diplomas and affidavits, as provided in this act, by letter or by proxy, and the Board of Examiners shall issue its certificate the same as though the owner of the diploma was present. (Amended by Act of 1878.)

Sec. 5. All examinations of persons not graduates or licentiates shall be made directly by the Board, and the certificates given by the Board shall authorize the possessor to practice medicine and surgery in the State of California; but no examination into the qualifications of persons not holding diplomas or licenses shall be made after the thirty-first day of December, eighteen hundred and seventy-six. After that date no certificates shall be granted by them, except to persons presenting diplomas or licenses from legally chartered medical institutions in good standing.

Sec. 6. Every person holding a certificate from a Board of Examiners shall have it recorded in the office of the clerk of the county in which he resides, and the record shall be indorsed thereon. Any person removing to another county to practice shall procure an indorsement to that effect on the certificate of the county clerk, and shall record the certificate in like manner in the county to which he removes, and the holder of the certificate shall pay to the county clerk the usual fees for making the record.

Sec. 7. The county clerk shall keep, in a book provided for that purpose, a complete list of the certificates recorded by him, with the date of the issue, and the name of the medical society represented by the Board of Examiners issuing them. If the certificate be based on a diploma or license, he shall record the name of the institution conferring it, and the date when conferred. The register of the county clerk shall be open to public inspection during business hours.

Sec. 8. Candidates for examination shall pay a fee of five dollars, in advance, which shall be returned to them if a certificate be refused. The fees received by the Board shall be paid into the treasury of the medical society by which the Board shall have been appointed, and the expenses and compensation of the Board shall be subject to arrangement with the society.

Sec. 9. Examinations may be in whole or in part in writing, and shall be of an elementary and practical character, but sufficiently strict to test the qualifications of the candidate as a practitioner.

Sec. 10. The Boards of Examiners may refuse certificates to individuals guilty of unprofessional or dishonorable conduct, and they may revoke certificates for like causes. In all cases of refusal or revocation, the applicant may appeal to the body appointing the Board. (Amended by Act of 1878.)

Sec. 11. Any person shall be regarded as practicing medicine, within the meaning of this act, who shall profess publicly to be a physician and to prescribe for the sick, or who shall append to his name the letters "M. D." But nothing in this act shall be construed to prohibit students from prescribing under the supervision of preceptors or to prohibit gratuitous services in case of emergency. And this act shall not apply to commissioned surgeons of the United States army and navy practicing within the limits of this State. (Amended by Act of 1878.)

Sec. 12. Any itinerant vendor of any drug, nostrum, ointment or appliances of any kind, intended for the treatment of disease or injury, or who shall, by writing or printing, or any other method, publicly profess to cure or treat diseases, injury, or deformity, by any drug, nostrum, manipulation, or other expedient, shall pay a license of one hundred dollars a month, to be collected in the usual way. (Amended by Act of 1878.)

Sec. 13. Any person practicing medicine or surgery in this State without complying with the provisions of this act shall be punished by a fine of not less than fifty dollars (\$50), nor more than five hundred dollars (\$500), or by imprisonment in the county jail for a period of not less than thirty days nor more than three hundred and sixty-five days, or both such fine and imprisonment, for each and every offense; and any person filing, or attempting to file, as his own, the diploma or certificate of another, or a forged affidavit of identification, shall be guilty of a felony, and upon conviction shall be subject to such fine and imprisonment as are made and provided by the statutes of this State for the crime of forgery.

Sec. 14. This act shall take effect from and after its passage, but the penalty shall not be enforced until on and after the thirty-first day of December, eighteen hundred and seventy-six.

An Act supplemental to and amendatory of an Act entitled "An Act to Regulate the Practice of Medicine in the State of California."

(Approved April 3, 1876; amended April 1, 1878.)

The People of the State of California, represented in Senate and Assembly, do enact as follows:

Section 1. Section one of an Act entitled "An Act to Regulate the Practice of Medicine in the State of California," approved April 3, 1876, is hereby amended so as to read as follows: Section One. Every person in this State practicing medicine or surgery in any of its departments shall possess the qualifications required by this act. Every such person shall present his diploma to one of the Boards of Examiners herein named, together with the affidavit mentioned in section three (3) of this act. If the Board shall find all the facts required to be stated in said affidavit to be true, the Board of Examiners shall issue its certificate to that effect, signed by all the members thereof, and sealed with the seal of the Board, and such certificate shall be conclusive as to the right of the person named therein to practice medicine and surgery in any part of this State.

Sec. 2. Section two of said act is hereby amended so as to read as follows: Section Two. The Medical Society of the State of California, the Eclectic Medical Society of the State of California, and California Homeopathic Medical Society, corporations organized and existing under and by virtue of the laws of this State, and no other corporation, society, persons, or person, shall appoint annually a Board of Examiners, consisting of seven members, who shall hold their office for one year, and until their successors shall have been chosen and qualified. The Examiners so appointed shall go before a district or county judge and make oath that they are regular graduates, and that they will faithfully perform the duties of their office. Vacancies occurring in a Board of Examiners shall be filled by the society appointing it, by the selection of alternates or otherwise. The Boards of Examiners now organized, or existing under and by virtue of their appointments by the aforesaid societies, shall continue to act as such Boards until their successors are appointed at the next annual election.

Sec. 3. Section four (4) of said act is hereby amended so as to read as follows: Section Four. Said Board of Examiners shall examine diplomas as to their genuineness, and if the diploma shall be found genuine as represented, the secretary of the Board of Examiners shall receive a fee of five dollars from each graduate or licentiate, and no

further charge shall be made to the applicant; but if it be found to be fraudulent, or not lawfully owned by the possessor, the Board shall be entitled to charge and collect twenty dollars of the applicant presenting such diploma. The applicant shall accompany his diploma with an affidavit stating that he is the lawful possessor of the same; that he is the person therein named; that the diploma was procured in the regular course of medical instruction, and without fraud or misrepresentation of any kind; and that the medical institution granting the diploma had, at the time of granting the same, a full corps of medical instructors, and was at the said time, a legally incorporated institution, actually and in good faith engaged in the business of medical education, and in good standing as a medical institution, and that the applicant had complied with all the requirements of said institution. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and official seal of such officer, if he have a seal. In addition to such affidavit, the Board of Examiners may hear such further testimony as in their discretion they may deem proper to hear as to the verification of any such diploma, or as to the identity of the person named therein, or as to the manner in which any such diploma was procured. And if it should appear from such testimony that any fact stated in said affidavit is untrue, the application of such person for a certificate shall be rejected. None of said Boards shall entertain an application which has been rejected by another of said Boards (nor shall any rejected application be renewed) until at least one year after the action of the Board rejecting the same.

Sec. 4. Section ten (10) of said act is hereby amended so as to read as follows: Section Ten. The Boards of Examiners must refuse certificates to individuals guilty of unprofessional conduct. But before any such refusal, the applicant must be cited, by a citation signed by the secretary of the Board, and sealed with its seal, to appear before the Board at a time and place certain, for the purpose of being heard as to such unprofessional conduct. Said citation shall notify the applicant of the time and place where and when the matter of said unprofessional conduct shall be heard; the particular unprofessional conduct shall be heard; the particular unprofessional conduct with which the applicant is charged; and that the applicant shall then and there appear in person, and attended with such witnesses to testify on his behalf as he may desire, or default will be taken against him, and his application for a certificate refused. The attendance of witnesses at such hearing shall be compelled by subpoenas issued by the secretary of the Board under its seal, and said secretary shall in no case refuse to issue any such subpoenas on a fee of fifty cents being paid him for each subpoena. Said citations and said subpoenas shall be served in accordance with existing provisions of law as to service of citations and subpoenas generally. At such hearing witnesses shall be examined, on the part of the Board, and on the part of the applicant, as to the fact of the applicant having been guilty of the conduct set out in the citation, and either side may consult medical experts as to whether such conduct is unprofessional; and if it appears to the satisfaction of the Board that the applicant is guilty of said unprofessional conduct, no certificate shall be issued to him. But no application shall be refused on the ground of unprofessional conduct, unless the applicant has been guilty of unprofessional conduct within one year next preceding his application. If any holder of a certificate be guilty of unprofessional conduct, his certificate must be revoked by the Board granting it; but no such revocation shall be valid without said holder being cited to appear, and the same proceedings be had as is hereinbefore provided in this section in the case of refusal to grant a certificate. Whenever a certificate is revoked, the secretary of the Board revoking the same shall certify the fact, under seal of the Board, to the county clerk of the county in which the person whose certificate has been revoked is, at the time of said revocation, practicing his profession, and said clerk shall thereupon write upon the margin or across the face of his register of the certificate of such person the fact of such revocation, signing his name thereto, and shall file in his office said certificate of revocation. Each of said Boards may, from time to time, adopt such rules as may be necessary to the orderly conduct of all proceedings taken and had before it. It shall be the duty of the secretary of the respective Boards to notify the secretary of all other Boards provided for under this act of all applicants to whom licenses may have been refused, together with the reason of refusal by such Boards.

Sec. 5. Section eleven (11) of said act is hereby amended so as to read as follows: Section Eleven. Any person shall be regarded as practicing medicine within the meaning of this act, who shall profess publicly to be a physician, or who shall habitually prescribe for the sick, or who shall append to his name the letters "M. D."; but nothing herein contained shall be construed to prohibit gratuitous services in cases of emergency. And this act, and the act to which this act is supplemental and amendatory, shall not apply to lawfully commissioned surgeons of the United States army or navy practicing their profession within the limits of this State.

Sec. 6*. Section twelve (12) of said act is hereby amended so as to read as follows: Section Twelve. Any itinerant vendor who shall sell or offer for sale any drug, nostrum, ointment, or appliance of any kind intended for the treatment of diseases or injury; or any person who shall, by writing or printing, or by any other method publicly profess to cure or treat disease, injury or deformity by any medicine, drug or drugs, nostrum, manipulation, or other expedient, shall pay a license of one hundred dollars a month. Such license shall be collected as other licenses are.

Sec. 7. Any person practicing medicine or surgery in the State, without first having procured a certificate to so practice from one of the Boards of Examiners appointed by one of the societies mentioned in section of two of this act, shall be deemed guilty of a misdemeanor, and shall be subject to the penalties provided in section thirteen of the

act to which this act is amendatory and supplemental; but no person who holds a certificate from one of such Boards of Examiners, or who holds a certificate heretofore granted by the Board of Examiners heretofore existing by virtue of appointment by the California State Medical Society of Homeopathic Practitioners, shall be compelled to procure a new certificate; and all powers and privileges of said Board of Examiners under the act of which this act is supplemental and amendatory are hereby transferred to the Boards of Examiners created by this act.

Sec. 8. Any person assuming to act as a member of a Board of Examiners under this act, or under the act of which this act is supplemental and amendatory, and who shall sign, or subscribe, or issue, or cause to be issued, or seal, or cause to be sealed, a certificate authorizing any person to practice medicine or surgery in this State, except the person so acting and doing be appointed by one of the societies mentioned in section two of this act, or be authorized so to do by a Board of Examiners, appointed by one of said societies, shall be deemed guilty of a misdemeanor, and shall be punished by a fine of not less than fifty dollars, or by imprisonment in the county jail for a period of not less than thirty nor more than three hundred and sixty-five days, or by both such fine and imprisonment.

Sec. 9. Should either of said Boards issue a certificate to any person whose application for a certificate has been previously rejected by another of the said Boards, within one year after the rejection of said application, then in such case the certificate issued as aforesaid to said rejected applicant shall be null and void and of no effect.

Sec. 10. If any person, not a graduate or licentiate of medicine, has been unable to present himself for examination to any of said Boards, as provided in section one of this act, then, and in such case, it shall be lawful for either of said Boards, on good cause shown why said person was unable to so present himself for examination, to examine such person touching his qualifications to practice medicine or surgery, and if said examination shall be satisfactory to the Board, it shall thereupon issue its certificate in accordance with the facts, and the lawful holder thereof shall be entitled to all the rights and privileges of graduates or licentiates to whom certificates have been issued under this act and the act to which this act is amendatory and supplemental; but no such examination shall be had after the expiration of sixty (60) days from the time this act shall take effect.

Sec. 11. This act shall be in effect from and after its passage.

*In 1883 this section (6) was held by the criminal courts of San Francisco to be invalid, by reason of being in conflict with the new constitution.

1 HUNDRED THOUSAND COPIES.....

{ In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. COLORADO.

CAPITAL DENVER.

Population of State, 412, 198.

(Census of 1890.)

Males	245,247	Native	328,208
Females	166,951	Foreign	83,990
White	404,468	Chinese	1,408
Colored	6,215	Indians	107

Number of Physicians, 1195.

Colorado extends from 37 degrees to 41½ degrees N. latitude and from 102 degrees to 109 degrees W. longitude, and is bounded on the north by Wyoming and Nebraska, on the east by Nebraska and Kansas, on the south by New Mexico and the Indian Territory, and on the west by Utah. It is the third largest State in the Union; ranking after Texas and California, and comprising an area of 104,500 square miles, or 66,860,000 acres. The main range of the Rocky Mountains runs through the center of the State and forms the "Continental Divide." From one side the streams flow into the Gulf of Mexico, and from the other into the Pacific ocean.

The principal rivers are the South Platte and Arkansas, and these with their tributaries suffice to irrigate all the farm lands in the great agricultural counties of the State.

Rain falls from May to July, and the other months are dry.

The mean annual temperature is about 48 degrees.

POLK'S MEDICAL

Colorado

The following table shows the increase in population for 30 years:

1860	34,277	1880	195,234
1870	99,864	1890	412,198

There are numerous hot and cold mineral springs in the State.

Rate of mortality in Colorado, as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
412,198	5,453	13.23	5,367	86	13.27	11.13

Total number of deaths from consumption during 1890 was 489, which was at the rate of 1.18 per 1,000 of population, or 89.68 per 1,000 of total deaths.

MEDICAL LAWS OF COLORADO.

AN ACT TO PROTECT THE PUBLIC HEALTH AND REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF COLORADO.

Be it enacted by the General Assembly of the State of Colorado:

Section 1. That a Board is hereby established which shall be known under the name and style of the State Board of Medical Examiners, to be composed of nine practicing physicians of known ability and integrity, who are graduates of medical schools of undoubted respectability, giving each of the three schools of medicine (known as the regular, homeopathic, and eclectic schools) a representation as follows, to wit: six physicians of the regular, two of the homeopathic, and one of the eclectic school or system of medicine.

Sec. 2. The Governor of this State shall, as soon as practicable after this act shall have become a law, appoint a State Board of Medical Examiners, as provided in section one of this act, and the members first appointed shall be so designated by the Governor that the term of office of three shall expire in two years from the date of appointment, the term of office of three shall expire in four years from the date of appointment, and the term of office of three shall expire in six years from the date of appointment; thereafter, the Governor shall biennially appoint three members, possessing qualifications as specified in section one, to serve for the term of six years, and he shall also fill all vacancies that may occur, as soon as practicable: Provided, That in making biennial appointments, or filling vacancies, the representation of the medical schools in the board shall not be changed from the original basis, as in section one of this act.

Sec. 3. The board of medical examiners shall, as soon after their appointment as practicable, organize by the election of one of their members as president, one as secretary, and one as treasurer, and adopt such rules as are necessary for their guidance in the performance of duties assigned them, and also to adopt a seal, which shall be affixed to all certificates issued by them to practitioners of medicine.

Sec. 4. That every person practicing medicine in any of its departments, shall possess the qualifications required by this act. If a graduate in medicine, he shall present his diploma to the State Board of Medical Examiners for verification, or furnish other evidence conclusive of his being a graduate of a legally-chartered medical school in good standing; the State Board of Medical Examiners shall issue its certificate to that effect, signed by a majority of the members thereof, and such diploma or evidence shall be conclusive as to the right of the lawful holder of the same to practice medicine in this State. If not a graduate of a legally-chartered medical institution in good standing, the person practicing or wishing to practice medicine in this State, shall present himself before said board of medical examiners and submit himself to such examination as defined in section seven of this act, and if the examination be satisfactory to the examiners, the

said board of medical examiners shall issue its certificate in accordance with the facts, and the lawful holder of such certificate shall be entitled to all the rights and privileges herein mentioned. All persons who have made the practice of medicine and surgery their profession or business continuously for the period of ten (10) years, and can furnish satisfactory evidence thereof to the State Board of Medical Examiners, shall receive from said board a license to continue practice in the State of Colorado.

Sec. 5. The State Board of Medical Examiners, within ninety (90) days after the passage of this act, shall receive, through its president, applications for certificates and examinations. The president of said board of medical examiners shall have the authority to administer oaths, and the said board of medical examiners to take testimony in all matters relating to its duties. It shall issue certificates to all who furnish satisfactory proofs of having received diplomas from some legally chartered medical institution in good standing. It shall prepare two (2) forms of certificates—one for persons in possession of diplomas, the other for candidates examined by its members. It shall furnish to the county clerks of the several counties a list of all persons receiving certificates. Certificates shall be signed by a majority of the members of the board of medical examiners granting them.

Sec. 6. There shall be paid to the treasurer of the State Board of Medical Examiners a fee of five dollars (\$5) for each certificate issued to graduates or practitioners of ten (10) years' standing, and no further charges shall be made to the applicant. Candidates for examination shall pay a fee of ten dollars (\$10) in advance.

Sec. 7. All examinations of persons not graduates shall be made directly by the State Board of Medical Examiners. Examinations may be in whole, or part, in writing, and the subjects of examination shall be as follows: anatomy, physiology, chemistry, pathology, surgery, obstetrics, and practice of medicine (exclusive of materia medica and therapeutics).

Sec. 8. Every person holding a certificate from the State Board of Medical Examiners shall have it recorded in the office of the clerk of the county in which he resides, and the record shall be indorsed thereon. Any person removing to another county to practice shall procure an indorsement to that effect on the certificate, from the county clerk, and shall record the certificate in like manner in the county to which he removes, and the holder of the certificate shall pay to the county clerk a fee of one dollar (\$1) for making the record.

Sec. 9. The county clerk shall keep, in a book provided for the purpose, a complete list of the certificates recorded by him. If the certificate be based on a diploma, he shall record the name of the medical institution conferring it and the date when conferred. This register shall be open to public inspection in business hours.

Sec. 10. The State Board of Medical Examiners may refuse certificates to individuals who have been convicted of conduct of a criminal nature, and they may revoke certificates for like causes.

Sec. 11. Any person shall be regarded as practicing medicine within the meaning of this act who shall profess publicly to be a physician and prescriber for the sick, or shall attach to his name the title of "M. D.," or "Surgeon," or "Doctor," in a medical sense. But nothing in this act shall be construed to prohibit gratuitous services in cases of emergency.

Sec. 12. Any person practicing medicine or surgery in any of their departments, in this State, without complying with the provisions of this act, shall be punished by a fine of not less than fifty dollars (\$50), nor more than three hundred dollars (\$300), or by imprisonment in the county jail for not less than ten (10) nor more than thirty (30) days, or by fine and imprisonment, for each and every offense; and any person filing, or attempting to file, as his own, the diploma or certificate of another, or who shall give false or forged evidence of any kind, shall be guilty of a felony, and upon conviction shall be subject to such fine and imprisonment as are made and provided by the statutes of this State for the crime of forgery.

Sec. 13. All fees received by the treasurer of said board of examiners, and all fines collected by any officer of the law, under this act, shall be paid into the State treasury; and all necessary expenses of the board shall be paid for out of the funds of the State treasury not otherwise appropriated; but no fees shall be required or accepted by any member of the board for services.

Sec. 14. The State Board of Medical Examiners shall meet as a board of medical examiners in the city of Denver, on the first Tuesdays of January, July and October of each year, and at such other times and places as may be found necessary for the performance of their duties.

Approved March 14, 1881.

Sec. 15. (Amendatory.) No person shall be deemed to have violated the provisions of this act, or the act of which it is amendatory, who has complied with provisions on their part; and it shall be the duty of the State Board of Medical Examiners to issue certificates to all persons, authorizing them to practice medicine in this State, who shall have complied with the provisions of this act, and the act of which it is amendatory, including graduates of the electropathic school, without prejudice, partiality, or discrimination as to schools or systems of practice of medicine. That only courts of record in the State of Colorado shall have jurisdiction over and power to enforce the provisions of this act.

Warm, then spread about the thickness of a silver dollar on the skin over the inflamed part and cover with cotton or heavy cloth. In from 12 to 36 hours it will peel off nicely, like the peel from a banana.

Antiphlogistine's greatest mission is accomplished through its hygroscopic power, its ability to favorably affect the circulation wherever it is abnormal.

In pneumonia, pleurisy, peritonitis, and inflammation of other internal organs, Antiphlogistine, applied liberally and hot, hugs the skin closely and the desired heat is uniformly maintained for from 24 to 36 hours, while at the same time the watery part of the blood is being brought to the surface, thus relieving the deep-seated congestion, consequently the pressure and pain.

Antiphlogistine rapidly draws out or absorbs the liquid exudate from boils, felons, erysipelas, inflamed glands, leg ulcers, and other localized inflammations, relieves the pain and permits the restoration of the circulation.

Upon receipt of 25c. (to pay expressage) from any practicing physician who has not received a sample, a 1-lb. sample can, with literature, will be sent free.

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 34, 35, 36.)

Connecticut, one of the original thirteen States, extends from 41 degrees to 42 degrees 2¾ minutes N. latitude, and from 70 degrees 55 minutes to 73 degrees 50 minutes W. longitude, and is bounded on the north by Massachusetts, on the east by Rhode Island, on the west by New York, and on the south by Long Island Sound. It comprises an area of 4,730 square miles, or 3,027,200 acres.

The climate is marked by great extremes and sudden changes; the winters are cold, the summers very warm. The district bordering on the sea is the hottest and the northwestern portion the coldest. The mean annual temperature, as observed at the capital, is about 50 degrees, and the rainfall varies from 41 to 47 inches, according to the place of observation.

The following table shows the increase in the population for ninety years:

1800	251,002	1850 ..	370,792
1810	261,942	1860 ..	460,187
1820	275,148	1870	537,454
1830	297,675	1880	662,700
1840	309,978	1890	746,258

Rate of mortality in Connecticut, as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
746,258	14,470	19.52	14,161	309	19.31	24.10

The number of deaths from consumption during 1890 was 1,743, which was at the rate of 2.34 per 1,000 of population, or 120.46 per 1,000 of total deaths.

MEDICAL LAWS OF CONNECTICUT.

AN ACT CONCERNING THE PRACTICE OF MEDICINE, SURGERY AND MIDWIFERY.

Be it enacted by the Senate and House of Representatives in General Assembly convened.

Section 1. No person after the first day of October, 1893, shall, in this State, for compensation, gain or reward, received or expected, treat, operate, or prescribe for any injury, deformity, ailment, or disease, actual or imaginary, of another person, nor practice surgery or midwifery, unless or until he has obtained a certificate of registration as hereinafter provided, and then only in the kind or branch of practice as stated in said certificate; but this act shall not apply to dentists while practicing dentistry only; nor to any person in the employ of the United States government while acting in the scope of his employment; nor to any person who shall furnish medical or surgical assistance in cases of sudden emergency; nor to any person residing out of this State who shall be employed to come into the State to assist or consult with any physician or surgeon who has been registered in conformity with the provisions of this act; nor to any physician or surgeon then actually residing out of this State who shall be employed to come into this State to treat, operate or prescribe for any injury, deformity, ailment or disease from which any person is suffering at the time when such non-resident physician or surgeon is so employed; nor to any actual resident of this State recommending by advertisement or otherwise the use of proprietary remedies sold under trade-marks issued by the United States government; nor to any chiropodist or clairvoyant who does not use in his practice any drugs, medicines or poison; nor to any person practicing the massage method, or Swedish movement cure, sun cure, mind cure, magnetic healing, or Christian science; nor to any other person who does not use or prescribe in his treatment of mankind, drugs, poisons, medicine, chemicals, or nostrums.

Sec. 2. Any resident of this State who at the time of the passage of this act shall be, or previously thereto has been actually engaged in this State in the practice of medicine, surgery, midwifery, or any alleged practice of healing, may, before the first day of October, 1893, file with the State Board of Health duplicate statements subscribed and sworn to by him upon blanks furnished by said board, giving his name, age, and place of birth, and present residence, stating whether he is a graduate of any medical college or not, and if so, of what college, and the date of such graduation, and, if practicing under a license from any of the medical societies of this State, stating which society and the date when said license was obtained, and also stating the length of time during which said person has been engaged in practice in this State and how long in practice elsewhere; and he shall also state whether he has been engaged in general practice, or only in some special branch of medicine or surgery, and if so, what branch. Upon the receipt of such statement as aforesaid, the State Board of Health shall issue, upon the receipt of two dollars, to the person filing the same, a certificate of registration, which shall state the kind or branch of practice in which the person named therein is engaged.

Sec. 3. Any person who shall, subsequent to said first day of October, 1893, file with said State Board of Health duplicate statements in the form prescribed in the preceding section, showing that he is a graduate of a medical college which is recognized as reputable by any one of the chartered medical societies of the State, shall receive from said State Board of Health, upon the payment of two dollars, a certificate of registration, which shall state the kind or branch of practice in which the person named therein is engaged, or is to be engaged.

Sec. 4. Any person residing in any town in another State which town adjoins the boundary line of Connecticut, who at the time of the passage of this act shall be actually engaged in such town in the practice of medicine, surgery, or midwifery, or any branch of practice, may, before the first day of October, 1893, obtain from the State Board of Health of this State a like certificate of registration, upon the payment of two dollars and upon filing duplicate statements in the form prescribed in section two, which statements shall also show that he is entitled to receive such certificate under the provisions of this section.

Sec. 5. Except as provided in sections two, three, and four, of this act, no person shall, after the first day of October, 1893, obtain or receive a certificate of registration, as required by the provisions of section one, until he has passed a satisfactory examination before a committee to be appointed for the purpose by the State Board of Health, as hereinafter provided, nor until he has filed with said Board of Health duplicate certificates as aforesaid, together with duplicate certificates signed by a majority of one of said examining committees, stating that they have found him qualified to practice either medicine, surgery, or midwifery, and any person filing said certificates shall receive from said State Board of Health, upon the payment of two dollars, a certificate of registration which shall state that the person named has been found qualified so to practice.

Sec. 6. During the month of December, 1893, The Connecticut Medical Society, The Connecticut Homeopathic Medical Society, and The Connecticut Eclectic Medical Association, shall each file with the State Board of Health the names of five physicians, and annually in the month of December thereafter, the name of one physician practicing in this State, who shall have been recommended by the respective medical societies as persons competent to serve upon the examining committees, to be appointed by the State Board of Health as hereinafter provided and from time to time in case any vacancy occurs upon any of said examining committees, the president of the respective

society shall nominate, and the State Board of Health shall appoint such person to fill said vacancy.

Sec. 7. In the month of January, 1894, the State Board of Health shall appoint three examining committees, each consisting of five physicians, which committee shall severally be composed wholly of the persons nominated by one of the said medical societies respectively, as aforesaid. One of the members of each of said committees shall be appointed for one year, one for two years, one for three years, one for four years, and one for five years. Thereafter, in the month of January in each year, the State Board of Health shall appoint one member of each of said committees, who shall have been nominated for such office as aforesaid, to serve five years; and said board shall in the same manner fill any vacancy occurring at any time in any of said committees.

Sec. 8. The State Board of Health shall designate when and where said committees shall hold said examinations, but shall call a meeting of a committee within thirty days after receipt of application for examination by it. Applicants to practice medicine or surgery shall be examined in anatomy, physiology, medical chemistry, obstetrics, hygiene, surgery, pathology, diagnosis, and therapeutics, including practice and materia medica. Each committee shall frame its own questions and conduct its examinations in writing, and both questions and answers shall be placed on file with the State Board of Health. Each applicant shall have the right to choose which of the three committees shall be the one by whom he shall be examined; but before taking such examination he shall pay to the committee their expenses, not exceeding, however, the sum of ten dollars. An applicant, after having been rejected by any of said examining committees, shall not be eligible to examination by another committee of examination until after the expiration of twelve months.

Sec. 9. Upon the receipt of any duplicate statements as hereinbefore provided, the State Board of Health shall transmit one of said duplicate statements, together with a duplicate of the certificate of registration in each case, to the town clerk of the town wherein the person so filing said statement resides; and in case such person does not reside in the State of Connecticut, then the State Board of Health shall transmit said statement and certificate to the town clerk of the town in this State nearest to the place of residence of such person; and said town clerks shall record the same in books to be provided for that purpose by the State Board of Health, and shall then return the same to the person who filed the same with the Board of Health; and said town clerk shall receive for such recording a fee of twenty-five cents, to be paid by the State Board of Health out of the amount so paid to it as aforesaid.

Sec. 10. The secretary of each of said medical societies shall file with the secretary of the State Board of Health a list of medical colleges or institutions recognized as legal and reputable by his society; or all of such secretaries may agree upon a single list; and such list or lists may be corrected from time to time as may be necessary.

Sec. 11. Every person violating any of the provisions of section one of this act shall be deemed guilty of a misdemeanor, and on conviction shall be punished by a fine of not less than one hundred, nor more than three hundred dollars for the first offense, and for each subsequent offense by a fine of not less than two hundred nor more than five hundred dollars, or by imprisonment in the county jail for not less than thirty nor more than ninety days, or by both such fine and imprisonment; the fine, when collected, shall be paid one-half to the person or corporation making the complaint, and the other half to the State Board of Health.

Sec. 12. Any person who shall swear to any false statement contained in any statement required by this act to be filed with the State Board of Health, shall be deemed guilty of perjury and be punished accordingly.

Sec. 13. The State Board of Health may, from time to time, appoint one of its number, or a person not a member of its board, to discharge the clerical duties imposed by this act upon said board, and may fix a salary therefor, to be paid only out of the fees and penalties received under the provisions of this act.

Sec. 14. Sections 3006, 3007 and 3008 of the general statutes are hereby repealed, but nothing herein shall be construed to repeal or affect any of the provisions of any private charter.

Sec. 15. The provisions of this bill shall not apply to licensed pharmacists.

Sec. 16. All physicians or surgeons practicing under the provisions of this act shall, when requested, write a duplicate of their prescriptions in the English language. Any person who shall violate the requirements of this section shall pay a fine of not less than ten dollars for each and every offense.

Approved May 25, 1893.

AN ACT CONCERNING THE PRACTICE OF MEDICINE, SURGERY AND MIDWIFERY.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

No person, after the passage of this act, shall obtain or receive a certificate of registration, as required by the provisions of Chapter CLVIII., of the public acts of 1893, until he has passed a satisfactory examination before one of the examining committees, appointed for the purpose under the provisions of the said act, nor until he has complied with the other provisions of said act.

Approved May 25th, 1897.

WALNUT LODGE HOSPITAL

HARTFORD, CONN.

Organized in 1880 as a Private Hospital for the Special Cure and Treatment of Alcohol and Opium Inebriates. This Institution is based on the modern view that **Inebriety is a Disease, and Curable**, and that the best results are obtained in the treatment of these cases in small hospitals, where each case can receive the individual care of the physician.

This Institution is finely situated on the outskirts of the city, and the rooms are all large, heated with steam, and lighted with gas, and arranged for comfort, so that each one can have all the advantages of a large asylum with the quiet and privacy of a home. The treatment comprises the use of every means which science and experience have found to be of value in building up the brain and nervous system, and includes

Turkish, Vapor, Roman, Electrical and Saline Baths,

and other remedies. Experience shows that a large proportion of cases who come for treatment, and earnestly use all the means provided, are permanently restored. Each case is treated individually, and the special care and restraint is adapted to the needs of each one. Only a limited number of cases are received, and every patient is under the direct, personal care of an attendant and the physician.

Applications for admission, and all letters of inquiry, should be addressed

DR. ROSE'S SANITARIUM

SOUTH WINDHAM, CONN.

A private sanitarium for the **SCIENTIFIC** treatment and **CURE** of **LIQUOR, OPIUM, MORPHINE, COCAINE**, all narcotic drug habits, *mental* and *nervous* diseases.

DR. ROSE'S SANITARIUM is situated on the southeast side of Obwebe-tuck Mountain in the heart of South Windham's beautiful environments. The rooms of the building all command a wonderful and picturesque view, overlooking a wide expanse of country for miles around. The sanitarium is heated by steam throughout, lighted by gas, has electric calls in each room, and is supplied with the purest water taken from the side of the mountain through iron pipes. The sanitarium is well and carefully piped and strict attention has been given to sewerage. Having a natural advantage in this direction, a most complete system has been adapted and carried out. The pure dry mountain air of this locality is specially beneficial to persons suffering from pulmonary, catarrhal or bronchial troubles. The nights are cool, and Malaria and Mosquitoes are unknown. The scenery is unsurpassed, combining both mountain and river views, and there are romantic walks and delightful drives in every direction.

BATHS. Among the special features employed at this sanitarium for the treatment of various diseases, are the baths, occupying over *three thousand square feet*. These are the **TURKISH, RUSSIAN, ROMAN, NEEDLE, DOUCHE, ELECTRIC** and **PLUNGE BATHS**, administered by the most skillful and attentive operators. The Baths are most elegantly furnished, affording every comfort and luxury to the patient.

GYMNASIUM. A large gymnasium connects the *Turkish Bath House* with the main building, and is fully equipped with all the necessary appurtenances, including rowing machines, swings, wood and iron dumb bells, chest weights, horizontal bars, Indian clubs, striking bag, sparring gloves, and various other appliances that go to make up a first-class exercising room.

The above baths, as well as regular exercise, both outdoor and gymnasium work, are absolutely necessary to promote rapid recovery of the patient.

THE WOODLAND SANATORIUM, HARTFORD, CONN.

(Formerly known as "Watnook." Established 1890.)

THIS Institution, built in 1899, is a Private Hospital, specially designed for the treatment of surgical cases (including orthopedic and abdominal) and chronic diseases. No contagious cases or insane patients admitted.

It is conveniently situated in the suburbs of the city, easily available by the electric cars.

Heating, lighting and ventilation is by the latest improved methods.

Patients will find all the comforts, and if desired, the luxuries of home, combined with the advantages of trained nurses, and personal care of the resident surgeon.

SPECIAL FEATURES:

ORTHOPEDIC APPLIANCES. All the latest and most approved for the treatment of this class of patients.

MECHANICAL MASSAGE. The "Vibrator" is a mechanical device by which the principles of Massage are carried to a greater degree of perfection than can be obtained by the hand. It quickens the circulation and hastens the elimination of the product of cell decay and prevents the retention of *urea* and *uric acid*, and other deleterious products in the system.

ELECTRO THERAPEUTICS. A complete outfit for electrical treatment in all its branches.

THE FARMINGTON VALLEYSANATORIUM.....

COLLINSVILLE, CONN.

SUFFERERS FROM
NERVOUS DISEASES
FIND THIS AN IDEAL HOME.

THE large, handsome house is very cheerful, airy, newly furnished throughout, and there are spacious verandas on the first and second stories. The Farmington River winds through the grounds, and on all sides are beauty and quiet. The pure spring water is plentiful, and the air invigorating. The drives in all directions are unsurpassed. References from patients cured and other information will be cheerfully given, on request.

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 34, 35, 36.)

Delaware is bounded on the north by Pennsylvania, on the west and south by Maryland, and on the east by the Atlantic ocean and the Delaware river and bay, and extends from 38 degrees 28 minutes to 39 degrees 50 minutes N. latitude. It is one of the thirteen original States, and comprises an area of 2,120 square miles, or 1,356,800 acres. The climate is mild, the mean annual temperature being about 53 degrees.

The following table shows increase in population for thirty years:

1860	112,216	1880	146,608
1870	125,015	1890	168,493

Rate of mortality in Delaware, as computed from the United States Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
168,493	3,107	18.53	2,412	695	17.22	24.45

The number of deaths from consumption during 1890 was 476, which was at the rate of 2.83 per 1,000 of population, or 153.20 per 1,000 of total deaths.

MEDICAL LAWS OF DELAWARE.

AN ACT REGULATING THE PRACTICE OF MEDICINE AND SURGERY IN THIS STATE.

Whereas, the safety of the public may be endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession; therefore,

Be it enacted by the Senate and House of Representatives of the State of Delaware in General Assembly met:

Section 1. That there shall be established a Medical Council of Delaware, consisting of the Chief Justice of the State, and of the presidents of the two State boards of medical examiners, provided for in this act:

Sec. 2. The said council shall be known by the name and style of the "Medical Council of Delaware," and may make and adopt all necessary rules, regulations and by-laws for their own government, not inconsistent with the laws of this State or of the United

States, and shall have power to locate and maintain an office within this State for the transaction of business. Two members of said council shall constitute a quorum for the transaction of business.

Sec. 3. The said council shall organize within ten days from the date of the organization of the two boards of medical examiners, and shall elect from its own number a president and a secretary, who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 4. The members of said council shall receive, in addition to their necessary expenses, five dollars per day each for each meeting of the council, but said per diem shall not exceed in any one year more than fifteen dollars, the same to be paid out of the fees hereinafter provided for.

Sec. 5. The said Medical Council shall hold two stated meetings in each year, and may hold special meetings at such times as it may deem proper. It shall issue certificates for license to practice medicine and surgery, to such applicants as have presented such diplomas as hereinafter required and successfully passed the examination hereinafter provided, and the said Medical Council shall have no powers, duties or functions except as provided for in this act.

Sec. 6. That from and after the passage of this act, there shall be, and continue to be, two separate boards of medical examiners for the State of Delaware, one representing "The President and Fellows of the Medical Society of Delaware," and the other "The Homeopathic Medical Society of Delaware and Peninsula."

Each board shall consist of five members, and each of said members shall serve for a term of two years, from the first day of March next after appointment, with the exception of those first appointed, who shall serve as follows, namely: Two of each board for one year, and three of each board for two years, from the first day of March, A. D., 1895.

The Governor shall appoint the members of said boards of examiners respectively, from the lists of members submitted by said medical societies residing in this State, which lists shall within ten days from the passage of this act, and on or before the first day of every January thereafter, be transmitted to the Governor under the seal, and signed by the secretary of the society so nominating.

From these lists of nominees respectively, the Governor shall, within ten days after the receipt thereof, appoint two separate boards of medical examiners, each board to be composed exclusively of members of the same medical society. In case of the failure of either of the said societies to submit lists as aforesaid, the Governor shall appoint members in good standing of the corresponding society, entitled to nominate without other restrictions.

Each one of the said appointees must be a registered physician in good standing, and shall have practiced medicine or surgery under the laws of this State for a period of not less than five years prior to such appointment.

The Governor shall fill vacancies by death or otherwise for unexpired terms of said examiners, from the lists submitted as aforesaid, and may remove any member of either of said boards for continued neglect of the duties required by this act, or on recommendation of the medical society of which said member may be in affiliation, for unprofessional or dishonorable conduct.

The Governor shall in his first appointments designate the number of years for which each appointee shall serve.

The appointments of successors to those members whose term of office will expire on the first day of March of each year, shall be made by the Governor during the first ten days of January of such year, upon the same conditions and requirements as hereinbefore specified with reference to the appointment of two separate examining boards, each to be composed exclusively of members of the same medical society as hereinbefore provided.

Sec. 7. Said boards shall be known by the name and style of "Boards of Medical Examiners of the State of Delaware." Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the Secretary of State under his hand. Each of said boards of examiners shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the laws of this State or of the United States, whereby to perform the duties and transact the business required under the provisions of this act.

Sec. 8. From the fees provided by this act the Medical Council shall pay, not to exceed said income, all proper expenses incurred by its provisions, and if any surplus above said expenses shall remain at the end of any year, it shall be apportioned among said medical societies pro rata according to the number of candidates examined by each.

Sec. 9. The first meeting of each of the examining boards respectively shall be held on the first Tuesday of July, 1895. At such meeting of each of the boards respectively an organization shall be effected by the election from their own membership of a president and secretary for the purpose of examining applicants for certificates for license. Each of said boards of medical examiners shall hold two or more stated or special meetings in each year; due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of either board shall constitute a quorum thereof, but the examinations may be conducted by a committee duly authorized by said boards.

Sec. 10. Each board of medical examiners not less than one week prior to each examination shall submit to the Medical Council of Delaware questions for thorough examin-

ations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica.

The Medical Council shall select the questions for such examinations from the lists of questions submitted by the board of medical examiners of the candidate's election; and should there be candidates for examination of any other school than the two designated in this act, they shall be examined by the council and some reputable practitioner in this State of such school by said council to be selected, upon questions selected from standard text books, on the above subjects, as taught by the school selected by the candidate.

Sec. 11. Said examination shall be conducted in writing in accordance with the rules and regulations prescribed by the respective boards of medical examiners, and shall embrace the subjects named in section 10 of this act. After each examination the board of medical examiners having charge thereof shall, without unnecessary delay, act on the same. An official report of such action, signed by the president, secretary and each acting member of said board of medical examiners, stating the result of examination, shall be transmitted to the Medical Council.

Sec. 12. On receiving from either of said boards of medical examiners such official report of the examination of any applicant for certificate for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed the examination, a certificate to that effect.

The Medical Council shall keep a record of all certificates, when and to whom issued.

Sec. 13. From and after the passage of this act, any person not heretofore authorized to practice medicine and surgery in this State, and desiring to enter upon such practice, shall deliver to the secretary of the Medical Council, upon the payment of a fee of ten (\$10) dollars, a written application for examination, together with satisfactory proof that the applicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has received a diploma conferring the degree of Medicine from some legally incorporated medical college. Applicants who have received their degree in Medicine after the passage of this act, must have pursued the study of medicine for at least four years, including three regular courses of lectures in different years, in some legally incorporated medical college or colleges prior to the granting of said diploma. Such proof, if required, shall be made upon affidavit. Upon making of said payment and proof, the Medical Council shall issue to said applicant an order for examination before such one of the State boards of medical examiners as the applicant for certificate may select. In case of failure at any such examination, the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee, but if after six months and before two years from such examination said application shall be withdrawn, the said \$10 shall upon demand be returned.

Sec. 14. That from and after the passage of this act it shall not be lawful for any person to practice medicine or surgery in this State without having obtained a license therefor as hereinafter provided.

Sec. 15. The Clerk of the Peace of any of the counties of this State shall issue a license signed by the Governor and countersigned by the Secretary of State and sealed with the seal of his office, certifying that such person is authorized to practice medicine and surgery in this State, conformably to the laws thereof, to any person who shall present to him a certificate as provided in this act, or who shall have been qualified in one of the counties of this State prior to the passage of this act, and to no other person.

Sec. 16. The provisions of this act shall not apply to physicians who are practitioners of any other State coming into this State in consultation with any lawful practitioner of medicine and surgery in this State.

Sec. 17. Any person practicing or attempting to practice medicine or surgery within this State contrary to the provisions of this act shall be guilty of a misdemeanor and upon conviction thereof in the Court of General Sessions of the Peace and Jail Delivery of the county wherein the offense was committed, shall pay a fine of not more than five hundred (\$500) nor less than one hundred (\$100) dollars, or be imprisoned for a term of not more than one year.

Sec. 18. That this act shall not in any way apply to dentists or to dental surgery.

Sec. 19. All other acts or parts of acts regulating the practice of medicine in this State are hereby repealed; but nothing herein contained shall in any way interfere with the operation of chapter 117, volume 13, laws of Delaware, relating to revenue.

Passed at Dover, April 18th, 1895.

The instruction in the school is given by lectures, recitations, laboratory and clinical work. The UNIVERSITY HOSPITAL is but a few yards from the medical school, and but a few steps from the different lines of cars, which give direct and quick communication with all the other hospitals of the city, as well as libraries and public buildings.

The hours for the lectures are so arranged that the students have every opportunity to make use of the clinical and other advantages that Washington offers.

For announcement and further information, address

School of Medicine,

GEORGETOWN UNIVERSITY.

The course of instruction is graded and attendance upon four annual sessions of seven and a half months each is required.

Instruction is given by lectures, recitations, practical demonstrations and clinical teaching. In the subjects of Anatomy, Chemistry, Physiology, Hygiene, Histology, Pathology and Bacteriology special laboratory instruction is given. The laboratories are ample, well-appointed and fully equipped with the most approved modern apparatus. Excellent and abundant clinical facilities are furnished by the various hospitals and dispensaries of the City. The University Hospital, under the charge of the faculty, is especially valuable for bedside instruction and ward classes.

The government museums, laboratories and libraries, which have been opened to students by an act of Congress, greatly enhance the educational advantages of Washington.

MEDICAL LAWS OF THE DISTRICT OF COLUMBIA.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE AND SURGERY, TO LICENSE PHYSICIANS AND SURGEONS, AND TO PUNISH PERSONS VIOLATING THE PROVISIONS THEREOF IN THE DISTRICT OF COLUMBIA.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That there shall be, and is hereby, created a board of medical supervisors of the District of Columbia, which shall consist of the presidents of the three boards of medical examiners hereinafter provided for and two persons, not physicians, one of whom shall be learned in the law, to be appointed by the Commissioners of the District of Columbia, each for a period of three years, or until his successor is appointed: Provided, That not more than two members of the board of supervisors shall be adherents of any one system of medical practice: And further provided, That said Commissioners may remove, after due notice and hearing, any member of said board for neglect of duty or other just cause, and that in case of the death, resignation, or removal of any member the vacancy for the unexpired term of said member shall be filled in the same manner as other appointments are made.

Sec. 2. That the said board of medical supervisors shall elect a president, a vice-president, and a secretary. Said board shall make, subject to the approval of the Commissioners of the District of Columbia, such regulations as may be necessary to carry into effect the provisions of this act. Said board shall hold such meetings as may be necessary for the transaction of business. Said board shall supervise all examinations provided for in this act, and shall issue all licenses to practice medicine and surgery or midwifery in the District of Columbia. Said board shall keep an official record of its meetings, also an official register of all applicants for examination for licenses to practice medicine and surgery in the District of Columbia. Said register shall show the name, age, place and duration of residence of each candidate, the time he or she has spent in medical study, in or out of medical schools, and the names and locations of all medical schools which have granted said applicant any degree or certificate of attendance upon lectures in medicine. Said register shall also show whether said applicant was rejected or licensed under this act. Said register shall be prima facie evidence of all matters contained therein. The secretary aforesaid may be elected by said board from others than its own members; said secretary shall also act as treasurer, and shall give such bond as may be required by the Commissioners of the District of Columbia; said secretary shall have the power to administer oaths upon such matters as pertain to the business of said board; said secretary shall mail to the address of each applicant a notice of the time and place of examination, not less than seven days before the examination, and at a longer period if requested by the applicant at the time of making application.

Sec. 3. That from and after the passage of this act, all persons desiring to practice medicine and surgery in any of their branches in the District of Columbia shall apply to

said board of medical supervisors for a license to do so. Applicants shall submit to examination upon the following named branches; to wit: Anatomy, physiology, chemistry, pathology, materia medica and therapeutics, hygiene, histology, practice of medicine, surgery, obstetrics and gynecology, diseases of the eye and ear, medical jurisprudence, and such other branches as said board shall deem advisable. Each applicant shall be certified by said board for examination as speedily as possible to the board of medical examiners whose members are adherents to the system of medicine which said applicant desires to practice; but said board shall not certify for examination any applicant until satisfactory proof is furnished that he or she is of good moral character and over twenty-one years of age, nor until he or she has presented a diploma conferring upon him or her the degree of doctor of medicine, issued by some medical college authorized by law to confer such degree: Provided, That said diploma, if issued prior to July first, eighteen hundred and ninety-eight, shall be accompanied by satisfactory evidence that said applicant has studied medicine and surgery for not less than three years prior to the issue thereof, and if issued subsequent to June thirtieth, eighteen hundred and ninety-eight, shall be accompanied by satisfactory evidence that the applicant has studied medicine and surgery for not less than four years prior to the issue of said diploma. All examinations shall be both theoretical and practical and of sufficient severity to test a candidate's fitness to practice medicine and surgery.

Sec. 4. That said application for a license to practice medicine and surgery in the District of Columbia shall be made to the secretary of said board of medical supervisors upon a form prescribed by said board, and shall be accompanied by a fee of ten dollars. Each application shall be in the hands of said secretary not less than two weeks before the day set for examination, and any application may be rejected for refusal to furnish any of the information called for, or for other irregularity. All applications shall be kept on file by said secretary.

Sec. 5. That immediately after the passage of this act the Commissioners of the District of Columbia shall appoint three boards of medical examiners, one to be known as the board of medical examiners of the District of Columbia, and to be composed of five physicians in good standing, adherents to the regular system of medical practice; one to be known as the board of homeopathic medical examiners of the District of Columbia, and to be composed of five physicians in good standing, adherents to the homeopathic system of medical practice, to be selected from a list of no less than ten names, submitted by a majority vote at some regular meeting of the Washington Homeopathic Medical Society, and one to be known as the board of eclectic medical examiners of the District of Columbia, to be composed of five physicians in good standing, adherents to the eclectic system of medical practice, to be selected from a list of not less than ten names, submitted by a majority vote at some regular meeting of the Eclectic Medical Society of the District of Columbia. Of the members of each board first appointed, one shall be appointed to serve one year, two to serve two years, and two to serve three years, and thereafter each member of each board shall be appointed to serve three years, or until his successor is appointed: Provided, That no member of either of said boards shall have been engaged in the practice of medicine and surgery in the District of Columbia for less than five years at the time of his appointment: And provided further, That in the event of the failure of the Washington Homeopathic Medical Society or of the Eclectic Medical Society of the District of Columbia, after fifteen days' notice by the Commissioners of the District of Columbia, to submit the list of names aforesaid, said Commissioners may appoint the members of the board of homeopathic medical examiners or of the board of eclectic medical examiners, without restriction as to nomination by the society in default: And provided further, That said Commissioners may at any time remove any member of either of the boards named in this act for neglect of duty or other just cause, and that in case of the death, resignation or removal of any member the vacancy for the unexpired term of said member shall be filled in the same manner as other appointments are made.

Sec. 6. That each member of said boards of medical examiners of the District of Columbia, shall, before entering upon the discharge of his duties, take an oath to administer fairly and impartially the provisions of this act. Each board shall elect from its own members a president and secretary. Each board shall hold a meeting for examination in the city of Washington on the second Thursday in January, April, July, and October of each year, and continuing so long as may be necessary to examine all applicants, and other meetings shall be held at such times as the board of medical supervisors shall direct. Each of said boards shall examine, at the meeting immediately following the receipt of the proper certificates from the board of medical supervisors, all applicants for licenses to practice medicine and surgery in the District of Columbia so certified.

Sec. 7. That the several boards of medical examiners shall, not less than one week prior to each examination, submit to the board of medical supervisors of the District of Columbia, questions for thorough examinations in anatomy, physiology, chemistry, pathology, materia medica and therapeutics, hygiene, histology, practice of medicine, surgery, obstetrics and gynecology, diseases of the eye and ear, medical jurisprudence, and such other branches as said board of medical supervisors may direct. From the lists of questions so submitted said board of medical supervisors shall select the questions for each examination, and such questions shall be the same for all candidates, except that in the departments of therapeutics, practice of medicine, and materia medica the questions shall be in harmony with the system of medicine selected by the candidate. Said examinations shall be conducted orally and in writing, in accordance with the rules

and regulations prescribed by the board of medical supervisors, and shall embrace the subjects as stated in section three of this act. An official report of the result of each examination, signed by the president and the secretary and each acting member of the board of medical examiners conducting such examination, stating the average attained by each candidate in each branch, the general average, and the result of the examination, whether successful or unsuccessful, shall be transmitted to the board of medical supervisors within fifteen days from the date of such examination. Said report shall embrace all the examination papers, questions, and answers thereto. All such examination papers shall be kept for reference and inspection for a period of not less than five years.

Sec. 8. That if in the opinion of a majority of the board of medical supervisors, after a careful examination of the report of said board of medical examiners by which any applicant was examined, said applicant has fairly and successfully passed such examination as hereinbefore provided for, the board of medical supervisors of the District of Columbia shall, as soon thereafter as possible, issue to him a license signed by the president and secretary of said board and attested by the seal of the District of Columbia, which license shall entitle said applicant, after it is registered as hereinafter provided, to practice medicine and surgery in the District of Columbia: Provided, That a license shall be issued upon application, free of cost and without examination, to each physician who is registered at the health office of the District of Columbia at the time of the passage of this act, and to physicians who may change their residence to the District of Columbia from any State or Territory where medical laws and medical examining boards exist, the presentation of a certificate or license from a medical examining board, if found upon due inquiry to be true and genuine, being sufficient evidence of right to registration and certification under the provisions of this act: Provided, That the medical laws and examining boards of such States and Territories grant equal rights and recognition to the licentiates of the board herein created. All licenses issued by said board shall be numbered consecutively, and a register shall be kept by the secretary showing the number of each license, the date of issue, and to whom issued.

Sec. 9. That the board of medical supervisors of the District of Columbia shall make, subject to the approval of the Commissioners of said District, such regulations as may be necessary to determine the qualifications of women desiring hereafter to commence the practice of midwifery in the District of Columbia, and shall issue licenses to such as are, after examination, found qualified, but no fee shall be charged for the examination of any applicant for such licenses, and no applicant who has been rejected shall be re-examined within one year from such rejection: Provided, That a license shall be issued upon application, free of cost and without examination, to each midwife registered at the health office of the District of Columbia at the time of the passage of this act.

Sec. 10. That the board of medical supervisors of the District of Columbia may, by a vote of four members, refuse to grant or may revoke a license, and may cause the name of any person to be removed from the record of the supreme court of the District of Columbia and from the register of the health office for any of the following causes, to-wit: The employment of fraud or deception in passing the examinations provided for in this act, chronic inebriety, the practice of criminal abortion, conviction of crime involving moral turpitude, or of unprofessional or dishonorable conduct. In complaints under this section the accused shall be furnished with a copy of the complaint and given a hearing before said board in person or by attorney, and witnesses may be heard for and on behalf of the accused, and for and on behalf of the said board. Appeal from the decision of said board may be taken to the court of appeals of the District of Columbia, and the decision of said court shall be final. Said board may at any time within two years from the refusal or revocation of a license, or the cancellation of registration under this section, by a vote of four members, issue, without examination, a new license to the person so affected, restoring to him or her all the rights and privileges of which he or she had been deprived by said board.

Sec. 11. That any person receiving a license as hereinbefore provided shall have it recorded in the office of the clerk of the Supreme Court of the District of Columbia within three months from the date of said license, and the place and date of record shall be certified thereon by said clerk; and the holder of the license shall pay to the clerk of said court a fee of fifty cents for making the record. The holder of said license shall, after the same has been recorded, exhibit the same at the health office, and shall register, in a book provided for that purpose, his or her name and address. Wherever a license is revoked by said board of medical supervisors the secretary thereof shall report that fact in writing to the clerk of said court and to the health officer of the District of Columbia, who shall thereupon cancel such registration.

Sec. 12. That this act shall not apply to commissioned surgeons of the United States army, navy or marine hospital service, nor to regularly licensed physicians and surgeons in actual consultation from other States or Territories, nor to regularly licensed physicians and surgeons actually called from other States or Territories to attend specified cases in the District of Columbia, nor to the treatment of any case of actual emergency, nor to the practice of massage or the so-called Swedish movement cure, nor to the use of ordinary domestic remedies without fee, gift or consideration of any kind.

Sec. 13. That from and after the passage of this act any person practicing medicine and surgery or midwifery in the District of Columbia, or who shall publicly profess to do so, without first having obtained from the board of medical supervisors of the District of Columbia a license and registered the same as herein provided, or in violation of any

of the provisions of this act, or any of the rules and regulations made by authority conferred herein, or after his license or registration has been cancelled by order of said board of medical supervisors of the District of Columbia, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished for each offense by a fine of not less than fifty nor more than five hundred dollars, or by imprisonment in the District jail for a period of not less than ten nor more than ninety days, or by both such fine and imprisonment. It shall be the duty of the United States district attorney for the District of Columbia to prosecute all violations of the provisions of this act.

Sec. 14. That the secretary of the board of medical supervisors shall be paid for taking testimony the same fee that is allowed to an examiner in chancery for the same service. The expense of said board and of the examinations shall be paid from the license fees herein provided for; and if any surplus remain on the thirtieth day of June of each year the members of the board of medical supervisors appointed as such shall be paid such reasonable compensation as the Commissioners of the District of Columbia may determine, and any balance then remaining shall be divided among the three boards of medical examiners in proportion to the number of candidates examined, each member of each board of medical examiners to receive such part of the entire amount paid as that board itself shall determine.

Sec. 15. That nothing in this act shall be construed to conflict with an act for the regulation of the practice of dentistry in the District of Columbia, approved June 6th, 1892, nor to interfere with graduates of standard dental colleges, registered under the provisions of said act, in the exercise of their profession to the extent and within the limits of the curriculum of such standard dental colleges.

Sec. 16. That all acts or parts of acts, general or special, not in accordance with the provisions of this act, be, and are hereby, repealed.

Approved June 3d, 1896.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and last number the year in which diploma was granted.

PHYSICIANS' FOOT PUMP * DOUBLE CYLINDER AUTOMATIC FOOT PUMP

Using five feet of black tubing with a 20th Century No. 5 Nebulizer and a bottle of Solution No. 21, fills only \$5.00. A powerful continuous spray (like smoke) is produced. (See page in Pennsylvania Physicians.) E. STEVENS, PROP. THE GLOBE CO., PHILADELPHIA, PA.

FLORIDA.

CAPITAL, TALLAHASSEE.

Population of State, 391,422.

(Census of 1890.)

Males	201,947	Native	368,490
Females	189,475	Foreign	22,932
White	224,949	Chinese	122
Colored	166,180	Indians	171

Number of Physicians, 704.

Florida is bounded on the north by Alabama and Georgia, east by the Atlantic ocean, and south and west by the Gulf of Mexico and Alabama. It includes the Peninsula of Florida, and comprises an area of 59,268 square miles, or 37,931,520 acres, of which 46,000 square miles are embraced in the peninsula, which has a uniform width of 100 miles, and extends from 25 degrees to 30 degrees N. latitude. The upper portion extends along the Gulf of Mexico to the River Perdido, a distance of 350 miles from the Atlantic coastline. The climate is almost tropical, the average summer temperature being 80 degrees, the winter varying from 65 degrees to 70 degrees, according to location.

The average annual rainfall is 55 inches.

The following table shows increase in population for fifty years:

1840	54,477	1870	187,748
1850	87,455	1880	269,493
1860	140,424	1890	391,422

Florida is famous for the number, size and variety of its mineral springs.

Rate of mortality in Florida, as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
391,422	4,145	10.50	2,339	1,806	10.40	10.85

The number of deaths from consumption during 1890 was 377, which was at the rate of .96 per 1,000 of population, or 90.95 per 1,000 of total deaths.

MEDICAL LAWS OF FLORIDA.

CHAPTER 4419—1895.

AN ACT TO AMEND SECTION 806, CHAPTER 4, REVISED STATUTES OF THE STATE OF FLORIDA.

Be it enacted by the Legislature of the State of Florida:

Section 1. That section 806, chapter 4, of the Revised Statutes of the State of Florida, be amended so as to read as follows:

Section 806. Examinations: It shall be the duty of said board of examiners to examine thoroughly every applicant for certificate of qualification to practice medicine in any of its branches or departments, upon the production of his medical diploma from a recognized college or in the event said applicant shall have lost his diploma, or the same shall have been destroyed prior to the year 1870, then upon satisfactory evidence to such board of such loss or destruction, upon the following subjects: Anatomy, physiology, gynecology, surgery, therapeutics, obstetrics and chemistry, but no preference shall be given to any school of medicine: Provided, That it shall be the duty of the board of homeopathic medical examiners to examine thoroughly every applicant for certificate of qualification to practice medicine in any of its branches or departments, upon the production of his diploma from a college recognized by the American Institute of Homeopathy, upon the following subjects: Anatomy, physiology, surgery, gynecology, materia medica, therapeutics, obstetrics and chemistry, and no preference shall be given to any school of medicine.

Approved May 17, 1895.

CHAPTER 4540—1897.

AN ACT TO PRESCRIBE THE MODE OF ISSUING TEMPORARY CERTIFICATES OF QUALIFICATION BY THE BOARDS OF MEDICAL EXAMINERS, DEFINING THE DUTIES OF THE MEMBERS AND SECRETARIES OF THE SAME, AND PRESCRIBING A PUNISHMENT FOR A BREACH THEREOF.

Be it enacted by the Legislature of the State of Florida:

Section 1. That any member of the several Boards of Medical Examiners in this State, shall be authorized to grant a temporary certificate of qualification to any applicant desiring to practice medicine in this State, upon examination, until the next regular meeting of the board: Provided, however, That the applicant has never before received a similar certificate from any member of the several boards. All temporary certificates shall cease to be of force at the regular meeting next after the granting of the same.

Sec. 2. It shall be the duty of the member granting a temporary certificate to notify the secretary of the board of which he is a member of his action, and it shall be the duty of the said secretary to notify the secretaries of the several other boards of the granting of said certificate.

Sec. 3. Any member or secretary of the said several boards who shall be found violating the provisions of this act, upon conviction thereof, shall be fined not more than one hundred dollars, or imprisoned for not more than sixty days, or by both such fine and imprisonment.

Sec. 4. That all laws or parts of laws in conflict with the provisions of this act, be and the same are hereby repealed.

Approved June 5, 1897.

CHAPTER 4697—1899.

AN ACT TO LICENSE PHYSICIANS, NOT GRADUATES, WHO HAVE PRACTICED MEDICINE SUCCESSFULLY FOR FIFTEEN YEARS OR MORE IN THE STATE OF FLORIDA.

Be it enacted by the Legislature of the State of Florida:

Section 1. That when any person has practiced medicine successfully and continuously for a period of fifteen years in the State of Florida, and is of good moral character, upon proof of these facts being made to the Board of Medical Examiners, of the Judicial Circuit of the State, where applicant resides, the said Board of Medical Examiners, upon the application of such physician, shall examine said applicant in any recognized school of practice that said applicant may elect to be examined in, and if such physician is found to be competent, the said Board of Medical Examiners shall issue to such applicant a certificate as is now provided for by law.

Sec. 2. All laws or parts of laws in conflict with this law are hereby repealed.

Sec. 3. This act to take effect after its passage and approval by the Governor.

Approved May 27, 1899.

CHAPTER 4698—1899.

AN ACT TO PROVIDE FOR A STATE BOARD OF MEDICAL EXAMINERS FOR THE ECLECTIC SCHOOL OF MEDICINE AND TO PRESCRIBE THE QUALIFICATIONS, DUTIES AND POWERS OF SAID BOARD.

Be it enacted by the Legislature of the State of Florida:

Section 1. The Governor shall appoint a Board of Eclectic Medical Examiners for the State at large; said board shall be composed of three practicing eclectic physicians of known ability, who shall be graduates of a college of the eclectic school of medicine.

Sec. 2. The said Board of Eclectic Medical Examiners shall be authorized to examine all applicants who shall present a certificate of graduation (showing that such applicant has taken not less than a two years' course), from some college of the eclectic school of medicine, and shall not have authority to examine any applicant from any other school of medicine.

Sec. 3. The duties of the Board of Eclectic Medical Examiners, as to organization, time and place and meeting, and in all other respects, except as stated in this bill, shall be the same as the powers conferred by law on the Board of Homeopathic Medical Examiners.

Sec. 4. All laws in conflict herewith are hereby repealed.

Approved May 4, 1899.

POLK'S MEDICAL

Georgia

GEORGIA.

CAPITAL, ATLANTA.

Population of State, 1,837,353.

(Census of 1890.)

Males	919,925	Native	1,825,216
Females	917,428	Foreign	12,137
Whites	978,357	Chinese	118
Colored	858,815	Indians	63

Number of Physicians, 2,890.

Georgia extends from 30 degrees 21 minutes 40 seconds to 35 degrees N. latitude, and from 80 degrees 52 minutes to 85 degrees 35 minutes 38 seconds W. longitude, and is bounded on the north by Tennessee and North Carolina, on the east by South Carolina and the Atlantic Ocean, on the south by Florida, and on the west by Florida and Alabama. It was one of the original 13 States, and comprises an area of 58,000 square miles, or 37,120,000 acres. The difference between the climate in Northern and Southern Georgia is very marked, the summers in the former region being invigorating and delightful, while in the latter the heat is often very oppressive. At Atlanta the mean annual temperature is 58.36 degrees and at Savannah 67.8 degrees.

The following table shows the increase in population for 60 years:

1830	516,823	1870	1,184,109
1840	691,392	1880	1,542,180
1850	906,185	1890	1,837,353
1860	1,057,286		

There are a number of mineral springs in the State.

Rate of mortality in Georgia as computed from the United States Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,837,353	21,174	11.25	10,203	10,971	10.43	12.77

The total number of deaths from consumption during 1890 was 2,155, which was at the rate of 1.17 per 1,000 of population, or 101.77 per 1,000 of total deaths. For list of Medical Colleges see page 131.

MEDICAL LAWS OF GEORGIA.

AN ACT TO ESTABLISH BOARDS OF MEDICAL EXAMINERS FOR THE STATE OF GEORGIA, TO DEFINE THEIR DUTIES AND POWERS, TO PROTECT THE PEOPLE FROM ILLEGAL AND UNQUALIFIED PRACTITIONERS OF MEDICINE AND SURGERY, TO REGULATE THE ISSUING AND RECORDING OF LICENSES, TO PRESCRIBE PENALTIES FOR THE VIOLATION OF THIS ACT, AND FOR OTHER PURPOSES.

Section 1. Be it enacted by the General Assembly of Georgia, and it is hereby enacted by authority of the same, that within thirty days after the passage of this act, it shall be the duty of the Governor to appoint for this State three separate boards of medical examiners of five members each, as follows: One board to consist of five members of the regular school of medicine; one board of five members of the eclectic school of medicine; and one board of five members of the homœopathic school of medicine. The members of each of said boards shall be men learned in medicine and surgery, of good moral and professional character, and graduates of reputable medical colleges; but none of them shall be members of the faculty of any medical college. Each of said three boards shall be wholly independent of, and separate from, the other two in the performance of the duties herein required of each of said boards. A majority of each board shall constitute a quorum.

Sec. 2. Be it further enacted, that the term of office of said members shall be for the term of three years; provided, that two members of each board shall first be appointed for one year; two for two years; and one for three years; and subsequently each appointment shall be for the full term of three years. Any vacancy that may occur in said Board, in consequence of death, resignation, removal from the State, or from other cause, shall be filled for the unexpired term by the Governor.

Sec. 3. Be it further enacted, that immediately, and before entering upon the duties of said office, the members of said board of medical examiners shall take the following oath: "I do swear that I will faithfully perform the duties of a member of the board of medical examiners for the State of Georgia to the best of my ability, so help me God." and shall file the same in the office of the Governor of the State, who, upon receiving the said oath of office, shall issue to each examiner a certificate of appointment.

Sec. 4. Be it further enacted, that immediately after the appointment and qualification of said members, each board shall meet and organize. The officers of said board shall be a president, vice-president, and secretary (who shall act as treasurer). Said officers shall be members of and elected by their respective boards. Each board shall hold two regular meetings in each year. One meeting shall be held at such time on or just before graduation day of each medical college now chartered, or that may hereafter be chartered, in this State, and the board of examiners, after consultation with the faculty of said college, shall fix a time for its meeting to suit a majority of the students graduating from said college; the other, on the second Tuesday in October. The first meeting

shall be held in the city of Atlanta, and the succeeding meetings of each board may be held in such city as each board may determine for itself. Special meetings may be held upon the call of the president and two members of each board; but there shall not be less than two regular meetings in each year. Each board may prescribe rules, regulations and by-laws for its proceedings and government, and shall keep permanent record of its actions. And each board shall examine and pass upon the qualifications of applicants for the practice of medicine in the State, as herein prescribed.

Sec. 5. Be it further enacted, that it shall be the duty of each board, at any of its meetings, to examine only persons making application to it, who are graduates of an incorporated medical college, school or university that requires not less than three full courses of study of six months each, who shall desire to commence the practice of medicine or surgery in the State, and who shall not, by the provisions of this act, be exempt from such examination; but any person now matriculated as a student of medicine at any medical college, after graduation, and any person from another State who shall have graduated prior to April 1st, 1895, at a lawfully chartered medical college requiring only two full courses of study, shall be eligible for examination and license; provided, always, that the applicant for such examinations shall hold a lawfully conferred diploma from an incorporated medical college which conforms to the system of practice represented by the board to which the application shall be made; unless the applicant desires to practice a different system from that recognized in his diploma then he shall appear before the board which represents the system that he proposes to practice. But in no event shall an applicant who stands rejected by one of said boards be examined or licensed by either of the other boards. If the applicant desires to practice a system not represented by any of the boards hereby established, he may elect for himself the board before which he will appear for examination. When an applicant shall have passed an examination satisfactory as to proficiency before the board in session, the president thereof shall grant to such applicant a certificate to that effect. A fee of ten dollars shall be paid to such board through such officer or member as it may designate by each applicant before such examination is had. In case an applicant shall fail to pass a satisfactory examination before any board, he shall not be permitted to stand any further examination before any of the boards within the next three months thereafter; nor shall he again have to pay the fee prescribed aforesaid for any subsequent examination; provided, that when, in the opinion of the president of any board, any applicant has been prevented by good cause from appearing before said board, the president and two members of said board designated by him shall constitute a committee, who shall examine such applicant, and may, if they see fit, grant him a certificate which shall have the same force and effect as though granted by a full board, until the next regular meeting of the board, when, if the applicant fails to appear for examination, said certificate shall be void.

Sec. 6. Be it further enacted, that the fund raised from the fees aforesaid shall be applied by each examining board to the payment of its expenses and to making a reasonable compensation to the president, secretary and members thereof.

Sec. 7. Be it further enacted, that before any person who obtains a certificate from any board, or from a committee of any board, may lawfully practice medicine or surgery in this State, he shall cause the said certificate to be recorded in the office of the clerk of the superior court in the county in which he resides. But if he does not reside in the State of Georgia, he shall cause said certificate to be recorded in any county within this State in which he offers to practice. The certificate shall be recorded by the clerk in a book to be kept for that purpose. It shall be indexed in the name of the person to whom the certificate is granted. The clerk's fee for recording a certificate shall be the same as for recording a deed.

Sec. 8. Be it further enacted, that this act shall take effect from and after the first day of January, 1895, and that it shall be unlawful thereafter for any person to commence the practice of medicine or surgery in this State without complying with the provisions of this act. But nothing in this act shall apply to persons now lawfully engaged in the practice of medicine or surgery in the State of Georgia, to any commissioned medical officer or contract surgeon of the United States army or navy or marine hospital service, in the performance of their duties as such, nor to any physician or surgeon residing in any State or Territory of the United States, or in the District of Columbia, who may be bona fide called in consultation in a special case with a legally qualified physician or surgeon residing in this State; nor shall this act be construed as affecting or changing in any way laws in reference to license tax to be paid by physicians and surgeons; provided, that a non-resident physician or surgeon called in consultation in a special case, as above described, shall not be permitted to engage in continuous practice or consultation in connection with any resident physician or surgeon under any form of contract or agreement, direct or indirect.

Sec. 9. Be it further enacted, that any person shall be regarded as practicing medicine or surgery, within the meaning of this act, who shall prescribe for the sick or those in need of medical or surgical aid, and shall charge or receive therefor money or other compensation or consideration, directly or indirectly; provided, however, that midwives and nurses shall not be regarded as practicing medicine or surgery.

Sec. 10. Be it further enacted, that any person who shall practice medicine or surgery in this State in violation of the provisions of this act shall, upon conviction, be punished as prescribed in section 4310 of the code of the State of Georgia for each offense; and it shall not be lawful for him to recover by action, suit, motion or warrant any compensation for service which may be claimed to have been rendered by him as such physician or surgeon.

Sec. 11. Be it further enacted, that all laws and parts of laws in conflict with this act be, and the same are, hereby repealed.

Approved December 12th, 1894.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

1 HUNDRED THOUSAND COPIES.....

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

The postooffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postooffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

Idaho extends from 42 degrees to 49 degrees north latitude, and from 111 degrees to 117 degrees west longitude, and is bounded on the north by British Columbia, on the south by Nevada and Utah, on the east by Montana and Wyoming, and on the west by Washington and Oregon. It comprises an area of 86,294 square miles, or 55,228,160 acres. The Bitter Root Mountains, a chain of the Rockies, form the northeastern boundary, and their spurs and extensions occupy a considerable portion of its surface.

The rivers of the State are, with the exception of the Bear river, tributaries of the Columbia.

The climate is cool and healthful, the mean annual temperature being 52.46.

The following table shows increase in population for 20 years:

1870	14,999	1890	84,385
1880	32,610		

There are numerous mineral springs in Idaho, but they have not as yet been used to any great extent for medicinal purposes. Large quantities of salt are manufactured from the soda springs in the southern portion of the State.

Rate of mortality in Idaho, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
84,385	771	9.14	737	34	8.98	14.36

The number of deaths from consumption during 1890 was 36, which was at the rate of .43 per 1,000 of population, or 46.69 per 1,000-of total deaths.

MEDICAL LAW OF IDAHO.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE AND SURGERY WITHIN THE STATE OF IDAHO; AND PROVIDING PENALTIES FOR THE VIOLATION OF THIS ACT; AND THE REPEAL OF ALL OTHER ACTS IN RELATION THERETO.

Be it enacted by the Legislature of the State of Idaho:

Section 1. The governor of the State, within sixty days from the expiration of the session of the legislature at which this act shall have been passed, shall appoint a board of medical examiners, to be known and styled "The State Board of Medical Examiners," consisting of six members, a majority of whom shall never be appointed from, nor represent, any one school of medicine, and not less than three schools of medicine shall be at all times represented on said boards, all of whom shall be graduates of reputable medical colleges or universities, in good standing, and learned and skilled in the theory and practice of medicine and surgery, and of good moral repute.

The terms of office of the members forming the first board under this act shall be as follows, viz.: Two members thereof shall be appointed to serve for a period of two years, and two members thereof shall be appointed to serve for a period of four years, and two members thereof shall be appointed to serve for a period of six years. After which all subsequent appointments shall be for a period of six years, and until their successors shall have been appointed and qualified. All persons appointed to serve upon said board shall, upon assuming the duties thereof, make oath before a district or probate judge that they are graduates of medical colleges or universities in good standing, giving names and locations thereof, and that they will faithfully and impartially perform the duties of such office. These oaths shall be made in duplicate, one to be retained on file in the office of the secretary of said board, and one to be forwarded to the secretary of State, who shall, on receipt of the same, issue to each member appointed on said board, and complying with this section, a certificate of such appointment, under his hand and

the great seal of the State: Provided, That the governor shall remove any member of said board who shall be guilty of any criminal or dishonorable conduct, or who shall be guilty of any unprofessional conduct forbidden by this act, upon recommendation from the said board, made pursuant to a resolution thereof, duly authenticated and accompanied by all the facts and testimony in possession of said board, upon which the said resolution is based. Vacancies occurring from death, resignation or any other cause shall be filled by appointment by the governor within thirty days from the time such vacancies occur, and such appointee shall serve during the unexpired portion of the term of the member whose place he fills: Provided, further, that after the board shall have been constituted and organized, no person otherwise eligible shall thereafter be appointed on said board who is not in possession of a license to practice medicine and surgery in this State under the provisions of this act.

Sec. 2. Said board shall have authority to prescribe and establish all needful rules, regulations and by-laws, not inconsistent with the laws of this State, or the United States, to carry into effect the provisions of this act.

Sec. 3. Said board shall organize immediately after appointment by electing from among its members a president, a secretary and a treasurer, and shall provide a seal and shall attest its acts under said seal. Any member of the board shall have the authority to administer oaths, and the board shall have authority to take testimony whenever the same is necessary in any matter relating to its official acts or duties. Said board shall hold regular meetings on the first Tuesday in the months of April and October in each year at the capital of the State, or at such other places as the board shall designate. Special meetings may also be called, when, in the opinion of a majority of the said board, the same is necessary, and shall be held at such times and places as a majority of the board may designate. Said board shall keep a minute book or general book of record in which all the official acts, proceedings and transactions of said board shall appear in full. They shall also keep in addition thereto a "Cash Book," in which shall appear in detail all receipts and disbursements of said board. They shall also keep a special register, containing the names and addresses of all applicants for license, together with the data required to be furnished in the application for said license. Said special register shall also show whether the applicant received license or was rejected, and, if the applicant were rejected, it shall contain a full statement of the reasons thereof. Said general book of record, the cash book and the special register shall be prima facie evidence of all matters therein recorded, and shall be public records in charge of the secretary of the board.

Sec. 4. The board shall make an annual report to the governor of the State, which report shall set forth a full and complete history of all its official acts during the year, and shall also contain a true statement of all receipts and disbursements of said board for the period so reported.

Sec. 5. All persons, except as hereinafter provided, who are legally engaged in the actual practice of medicine and surgery, or either of them, within the State, at the time of the passage of this act, under the provisions of the medical act of 1887, shall be licensed without examination to continue such practice under this act, by making application to the State medical examining board upon suitably prepared blanks to be furnished by said board, within six months from the taking effect of this act. The applicant shall be required to transmit with said application a certificate from the county recorder from the county in which he or she may reside, that said applicant is a bona fide resident of the State and has recorded his or her diploma under the provisions of the medical act of 1887, giving date of such record. Persons who received a license under the now defunct medical law of 1897 will simply be required to transmit such license. The fee for license under this section shall be five dollars (\$5) and shall in each case accompany the application. Upon fulfillment of the requirements herein stated, the board shall issue to said applicant a license to practice medicine and surgery within this State. Persons for whom the provisions of this section are intended, failing or refusing to avail themselves of the same, shall be and are hereby subject to the requirements of section 6 of this act.

Sec. 6. After the passage of this act, every person, except as hereinbefore provided, desiring to commence the practice of medicine and surgery, or either of them, within the State shall, immediately and prior to commencing the same, make a written application to the State medical examining board, upon suitably prepared blanks, to be furnished by the board, for a license so to do. The applicant shall transmit with said application his or her diploma, together with an affidavit setting forth that said diploma is genuine, and that the applicant is the rightful possessor thereof and the identical person named therein, and that same was obtained by pursuing the regular course of study or examination in said institution, and setting forth that he or she is a citizen of the United States, or has declared their intention of becoming such. If the said diploma has been issued by a reputable college of medicine in good standing, said applicant shall be eligible to examination. All applicants shall be examined in the applied branches of the theory and practice of medicine and surgery, or either of them, as those branches are taught in the reputable chartered schools of the system of medicine to which the applicant belongs and which the applicant intends to practice, and such examination shall in all cases include anatomy, physiology, pathology, diagnosis, hygiene, chemistry, histology and toxicology. No applicant for license shall be allowed to practice medicine and surgery, or either of them, until such license shall have been granted. The board shall cause the examination to be scientific and practical and sufficiently thorough to test the applicant's fitness to practice medicine and surgery, or either of them, and if the applicant correctly answers at least seventy-five percent. of all the questions submitted, said board shall grant the applicant a license to practice medicine and surgery in this State. cant for license under any of the provisions of this act must furnish sufficient evidence to the board that they are of good moral character. All applications under this section must be accompanied by twenty-five dollars (\$25), which is the fee for examination under this section. Should the applicant fail to pass said examination, the fee is not returnable. The cost of transmission to and from the board of all papers belonging to an applicant under this or any other section of this act shall be paid by the applicant. In case an applicant for examination fails to pass the required examination, he or she may be re-examined after the expiration of six months, and within one year, without the payment of an additional fee, and thereafter said applicant may be examined as often as desired at any regular or special meeting of the board on the payment of the regular fee for such examination. Said board may also refuse a license for unprofessional conduct, or conduct of a criminal, immoral or dishonorable nature.

Sec. 7. The words "unprofessional or dishonorable conduct," as used in section 6, or any other section of this act, is hereby declared to mean:

First. The procuring or aiding or abetting in procuring a criminal abortion.

Second. The employment of what are popularly known as "cappers" or "steerers" in procuring practice.

Third. The obtaining of a fee on the assurance that a manifestly incurable disease can be permanently cured.

Fourth. A wilful betrayal of the professional secret to the detriment of a patient.

Fifth. All advertisements of medical business in which untruthful and improbable statements are made.

Sixth. All advertisements of any kind, of any medicine or means, whereby the monthly periods of a woman can be regulated or the menses can be re-established if suppressed.

Seventh. Conviction of any offense involving moral turpitude.

Eighth. Habitual intemperance in the use of ardent spirits, narcotics or stimulants.

Sec. 8. All questions upon the different branches of medicine and surgery submitted by said board to candidates for examination shall either be written or printed, or partly written and printed, and the questions on each branch shall be arranged upon separate sheets of paper and numbered consecutively.

The candidates shall be supplied with a list of the questions upon but one branch or subject at a time, which, after completing his or her answers thereto, he or she shall be entitled to the next list of questions, and so on in like manner until said candidate shall have been examined in all the branches required. All answers to the questions thus submitted shall be in writing, upon suitable paper furnished by the board, no candidate being permitted to furnish his or her own paper for such written answers. Each list of the candidate's answers shall bear the same title as the corresponding list of questions, and each answer shall be numbered to correspond with the question to which it refers. The questions submitted by the board to each candidate examined, together with the answers thereto, shall be placed and kept on file in the office of the secretary of said board, and shall constitute part of the records of said office.

Sec. 9. When complaint is made to the board of unprofessional or other conduct on the part of any licentiate, under the provisions of the act, meriting a suspension, revocation or cancellation of his license, the board shall have power to hear evidence for and against the accused, touching such complaint, and if the board be satisfied from the evidence of the justice of such complaint, the board must institute proper proceedings in the district court in and for the county where such licentiate resides, for the suspension or revocation, and cancellation of such license, and the district courts of this State are hereby vested with jurisdiction to hear and determine all such proceedings, and to suspend or revoke and cancel any license at issue in any such proceedings. The accused shall be entitled to appear in person or by counsel at every stage of any such proceedings, from the first hearing of said complaint before the board to the final disposition of the case in the district court. All costs incident to any such proceeding in the district court shall be assessed by the court as the justice of the case, in the discretion of the court, may require.

In all such proceedings the county attorney shall appear for the board in the district court. In case the board refuse to grant a license to practice under this act, the applicant shall have the right to have the action of the board refusing such license reviewed by the district court in and for the county in which the meeting at which the license was refused was held, or such other county as may be agreed upon: Provided, proceedings for such review be instituted within ten days after notice of such refusal upon the applicant.

Sec. 10. Any person practicing medicine and surgery within this State, without having obtained a license herein provided for, or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than fifty dollars nor more than three hundred dollars, or by imprisonment in the county jail not less than ten days nor more than six months, or by both such fine and imprisonment, in the discretion of the court, together with the costs of prosecution, and each day such person continues to practice medicine and surgery contrary to the provisions of this act shall constitute a separate offense.

Sec. 11. Every person receiving a license under this act shall, within thirty days thereafter, have the same recorded in the office of the county recorder, within the county where the licentiate intends to practice. Otherwise said license is void. The county recorder of each county shall have, suitably prepared, a separate "book of record," in which all the licenses under this act, presented to them, shall be recorded, and on the first day of December of each year furnish the secretary of "State Medical Examining Board" a list of the licenses on record in his office, and upon notice to him from said secretary

of the revocation of any license on record in his office, or of the death or removal from the County of any person whose license is on record therein, said recorder shall make a note of the fact on the page containing the record of said license, so that the records kept by said county recorder shall correspond with the records of his county, as kept by the secretary of said medical board.

Sec. 12. All licenses issued by the board shall be numbered consecutively and in the order issued. Each license shall be signed by the president and secretary of the board, under the official seal of the board issuing the same. Four members of the board shall constitute a quorum to transact business at any regular or special meeting.

Sec. 13. The words "respectable or reputable medical college or university in good standing" are hereby declared to mean such medical colleges or universities as are legally chartered, reputable and in good standing within the State or county where they are located.

Sec. 14. Any person shall be regarded as practicing medicine and surgery, or either, who shall advertise in any manner, or hold himself or herself out to the public as a physician and surgeon, or either, in this State, or who shall investigate or diagnosticate, or offer to investigate or diagnosticate, any physical or mental ailment of any person with a view of relieving the same as is commonly done by physicians or surgeons, or suggest, recommend, prescribe or direct, for the use of any person, sick, injured or deformed, any drug, medicine, means or appliance for the intended relief, palliation or cure of the same, with the intent of receiving therefor, either directly or indirectly, any fee, gift or compensation whatsoever: Provided, however, this act shall not apply to dentists and registered pharmacists or midwives in the legitimate practice of their respective professions, nor to services rendered in cases of emergency, where no fee is charged. Any person who shall present to the board as his own or her own, the diploma of another, or a forged affidavit of identification, or who shall attempt to personate another practitioner of a like or different name, shall, upon conviction thereof, be subject to such fine and imprisonment as are made and provided by the statutes of the State of Idaho for the crime of forgery.

Sec. 15. It shall be the duty of the county attorney to prosecute all violations of this act within their respective counties. And all cases of appeal to the supreme court of the State, the attorney general thereof shall represent said board upon said appeal. The board shall investigate all complaints of non-compliance with or violations of the provisions of this act, and to bring all such cases to the notice of the proper prosecuting officers.

Sec. 16. This act shall not apply to commissioned medical officers of the United States army, navy and marine hospital service in the discharge of their official duties, nor to railway surgeons in the discharge of official duties, nor to legally qualified physicians and surgeons from other States when called in consultation with any legally qualified physician and surgeon of this State.

Sec. 17. The members of said board shall look alone to the revenues of this act for reimbursement of actual expenses incurred in attendance upon the business of sessions of said board, and they shall look alone to the same source for their per diem allowance, which shall not exceed the sum of five dollars per day each for each day said board may be in actual session.

Sec. 18. The governor is hereby empowered to receive from the late secretary of the now defunct state board of medical examiners all property and money in his possession belonging to the said board, and to deliver same to the secretary of the State board of medical examiners to be by him appointed under this act.

Sec. 19. All other acts and parts of acts regulating the practice of medicine and surgery in this State are hereby repealed.

Sec. 20. Whereas, an emergency is hereby declared to exist, this bill shall be in force and take effect from and after its passage and approval by the governor.

Approved on the 3d day of March, 1899.

ILLINOIS.

CAPITAL, SPRINGFIELD.

POPULATION OF STATE, 3,826,351.

(Census of 1890.)

Males	1,972,308	Native	2,984,004
Females	1,854,043	Foreign	842,347
Whites	3,768,472	Chinese	754
Colored	57,028	Indians	97

Number of Physicians, 8,582.

Illinois extends from 37 degrees 3 minutes to 42 degrees 30 minutes north latitude, and from 87 degrees 30 minutes to 91 degrees 40 minutes west longitude, and is bounded on the north by Wisconsin, on the east by Lake Michigan and the State of Indiana, on the south by the Ohio river, which separates it from Kentucky, and on the west by Iowa and Missouri. It comprises an area of 55,410 square miles, or 35,462,400 acres.

The climate is variable, and is marked by great extremes, the summers being warm and the winters extremely cold. The mean annual temperature is about 52 degrees, that of the summer 75 degrees and of the winter 28 degrees. The climate is generally salubrious, except in the low, swampy bottom-lands, where the settlers are subject to chills and fevers. The average annual rainfall is about 35 inches.

The following table shows the increase in population for 70 years:

1820...	55,162	1860.....	1,711,961
1830.....	157,445	1870.....	2,539,891
1840.....	476,183	1880.....	3,077,871
1850.....	851,470	1890.....	3,826,351

Rate of mortality in Illinois, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
3,826,351	53,123	13.88	52,092	1,031	13.82	17.81

The number of deaths from consumption during 1890 was 5,698, which was at the rate of 1.49 per 1,000 of population, or 107.26 per 1,000 of total deaths.

MEDICAL LAW OF ILLINOIS.

(Extract from the Revised Statutes of Illinois, 1899.)

AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF ILLINOIS, AND TO REPEAL AN ACT THEREIN NAMED.

Section 1. Organization and Duties of State Board of Health.—Be it enacted by the People of the State of Illinois represented in the General Assembly: That the State board of health shall organize within three months after the passage of this act; it shall procure a seal and shall receive through its secretary applications for certificates and examinations. The president and secretary shall have the authority to administer oaths, and the board to take testimony in all matters relating to its duties.

Sec. 2. License from State Board of Health Required—Applications for License—Examinations—Graduates of Legally Chartered Medical Colleges in Illinois in Good Standing Granted Certificates.—No person shall hereafter begin the practice of medicine, or any of the branches thereof, or midwifery, in this State without first applying for and obtaining a license from the State board of health to do so. Application shall be in writing, and shall be accompanied by the examination fees hereinafter specified, and with proof that the applicant is of good moral character. Applications from candidates who desire to practice medicine and surgery in all their branches shall be accompanied by proof that the applicant is a graduate of a medical college or institution in good standing, as may be determined by the board. When the application aforesaid has been inspected by the board and found to comply with the foregoing provisions, the board shall notify the applicant to appear before it for examination, at the time and place mentioned in such notice.

Examinations may be made in whole or in part in writing by the board, and shall be of a character sufficiently strict to test the qualifications of the candidate as a practitioner. The examination of those who desire to practice medicine and surgery in all their branches shall embrace those general subjects and topics, a knowledge of which is commonly and generally required of candidates for the degree of doctor of medicine, by reputable medical colleges in the United States. The examination of those who desire to practice midwifery shall be of such a character as to determine the qualification of the applicant to practice midwifery. The examination of those who desire to practice any other system or science of treating human ailments who do not use medicines internally or externally, and who do not practice operative surgery, shall be of a character sufficiently strict to test their qualifications as practitioners. All examinations provided for

in this act shall be conducted under rules and regulations prescribed by the board, which shall provide for a fair and wholly impartial method of examination. Provided, that graduates of legally chartered medical colleges in Illinois in good standing, as may be determined by the board, may be granted certificates without examinations.

Sec. 3. License to Practice—Provisions.—If the applicant successfully passes his examination, or presents a diploma from a legally chartered medical college in Illinois of good standing, the board shall issue to such applicant a license authorizing him to practice medicine, midwifery or other system of treating human ailments, as the case may be. Provided, that those who are authorized to practice other systems cannot use medicine internally or externally or perform surgical operations. Provided, further, that only those who are authorized to practice medicine and surgery in all their branches shall call or advertise themselves as physicians or doctors. And provided, further, that those who are authorized to practice midwifery shall not use any drug or medicine or attend other than cases of labor. Such license shall be in such form as may be determined by the board, and in accordance with the provisions of this act. Provided, however, that any wilful violation on the part of an applicant of any of the rules and regulations of the board, governing examinations shall be sufficient cause for the board to refuse to issue a license to such applicant. Such certificates shall be signed by all members of the board and attested by the secretary.

Sec. 4. Certificates to be Recorded in Office of County Clerk—Records of County Clerk.—Every person holding a certificate from the State board of health shall have it recorded in the office of the clerk of the county in which he resides or practices within three months from its date, and the date of recording shall be endorsed thereon. Until such certificate is recorded, as herein provided, the holder thereof shall not exercise any of the rights or privileges conferred therein. Any person practicing in another county shall record the certificate in like manner in the county in which he practices, and the holder of the certificate shall pay to the county clerk the usual fee for making the record. The county clerk shall keep, in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of the issue of the certificate. The register of the county clerk shall be open to public inspection during business hours.

•Sec. 5. Examination Fees.—The fees for examination and for a certificate shall be as follows: Ten (10) dollars for examination in medicine and surgery, and five (5) dollars for a certificate, if issued. Five (5) dollars for an examination in midwifery, and three (3) dollars for a certificate, if issued. For all other practitioners ten (10) dollars for an examination and five (5) dollars for a certificate, if issued.

Sec. 6. Unprofessional or Dishonorable Conduct—Board May Withhold or Revoke Certificates—Hearing.—The State Board of Health may refuse to issue the certificates provided for in this act to individuals who have been convicted of the practice of criminal abortion, or who have by false or fraudulent representation, obtained or sought to obtain practice in their profession, or, by false or fraudulent representation of their profession, have obtained or sought to obtain money or any other thing of value, or who advertise under names other than their own, or for any other unprofessional or dishonorable conduct, and the Board may revoke such certificates for like causes. Provided, that no certificates shall be revoked or refused until the holder or applicant shall be given a hearing before the Board.

Sec. 7. Definition of This Act.—Any person shall be regarded as practicing medicine, within the meaning of this act, who shall treat or profess to treat, operate on or prescribe for any physical ailment or any physical injury to or deformity of another. Provided, that nothing in this section shall be construed to apply to the administration of domestic or family remedies in cases of emergency, or to the laws regulating the practice of dentistry or of pharmacy. And this act shall not apply to surgeons of the United States army, navy or marine hospital service in the discharge of their official duties, or to any person who ministers to or treats the sick or suffering by mental or spiritual means, without the use of any drug or material remedy.

Sec. 8. Itinerant Venders—License—Penalties.—That any itinerant vender of any drug, nostrum, ointment or appliance of any kind intended for the treatment of diseases or injury, who shall, by writing or printing, or any other method, profess to the public to cure or treat disease or deformity by any drug, nostrum or application, shall pay a license of one hundred (100) dollars per month into the treasury of the board, to be collected by the board in the name of the people in the State of Illinois, for the use of said board. And it shall be lawful for the State board of health to issue such license on application made to said board, said license to be signed by the president of the board and attested by the secretary with the seal of the board; but said board may, for sufficient cause, refuse said license. And such itinerant vender, who shall, by writing or printing, or any other method, profess to cure or treat disease or deformity by any drug, nostrum or appliance without a license so to do, shall be deemed guilty of a violation of this section, and, upon conviction, shall be subject to the penalties hereinafter provided.

Sec. 9. Penalty for Practicing Without License.—Any person practicing medicine or surgery or treating human ailments in the State without a certificate issued by this board in compliance with the provisions of this act, or any itinerant vender violating the provisions of section 8 of this act, shall, for each and every instance of such practice or violation, forfeit and pay to the people of the State of Illinois, for the use of the said board of health, the sum of one hundred (100) dollars for the first offense, and two hundred (200) dollars for each subsequent offense, the same to be recovered in an action of debt before any court of competent jurisdiction, and any person filing or attempting to

file as his own the diploma or certificate of another, or a forged affidavit of identification, shall be guilty of a felony, and, upon conviction, shall be subject to such fine and imprisonment as are made and provided by the statutes of the State for a crime of forgery. Provided, that this section shall not apply to physicians who hold unrevoked certificates from the State board of health issued prior to the time of the taking effect of this act.

Sec. 10. Enforcing Penalties—Appeals.—Upon conviction of either of the offenses mentioned in this act the court shall, as a part of the judgment, order that the defendant be committed to the common jail of the county until the fine and costs are paid, and, upon failure to pay the same immediately, the defendant shall be committed under said order for first offense not more than thirty (30) days, and for each subsequent offense not more than ninety (90) days. Provided, that either party may appeal in the same time and manner as appeals may be taken in other cases, except that where an appeal is prayed in behalf of the people, no appeal bond shall be required to be filed, whether the appeal be from the justice of the peace or from the county or circuit courts, or from the appellate court. But it shall be sufficient in behalf of the people of the State of Illinois, for the use of the State board of health, to pray an appeal, and thereupon appeal may be had without bond or security.

Sec. 11. Board to Make Report of Proceedings and Pay All Funds Into State Treasury on September 30th of Each Year.—On the 30th day of September of each year the State Board of Health shall make report of its proceedings, showing all items of receipts from all sources and disbursements for all purposes, and all funds in the treasury on said date which have been received in the enforcement of this act shall be paid into the State treasury.

Sec. 12.—Repeal.—An act to regulate the practice of medicine in the State of Illinois, approved June 17th, 1887, in force July 1st, 1887, and all other acts and parts of acts inconsistent with this act are hereby repealed.

ILLINOIS STATE BOARD OF HEALTH.

RESOLUTIONS CONCERNING THE GOOD STANDING OF MEDICAL COLLEGES. ADOPTED JULY 11, 1899.

Resolved, That the phrase "medical college or institution in good standing" in the first paragraph of section 2, of the Act to Regulate the Practice of Medicine in the State of Illinois, in force July 1, 1899, is hereby defined to include only legally organized, properly conducted medical institutions, having a sufficient and competent corps of instructors, and ample facilities for teaching, dissections, ambulatory and hospital clinics, which conform to the requirements relative to the preliminary education of matriculates, the course and period of study, the number, character and length of lecture terms, the duration of attendance on hospital and clinical instruction, which obtain in the majority of medical colleges in the United States.

Resolved, That the Illinois State Board of Health will not consider in good standing after January 1, 1900, any medical institution which does not require of all students (except graduates of reputable colleges of Arts and Sciences, or of reputable colleges of Dentistry, Pharmacy or Veterinary Medicine, to whom one year's advance standing may be granted) as a condition of graduation, an attendance of four full courses of lectures of at least six months each, in four separate years, no two courses commencing or ending in the same calendar year of time.

Resolved, That no medical college issuing a catalogue or announcement in which are contained misrepresentations respecting its teaching clinical or hospital facilities its faculty or its courses of study, or false representations as to the number of students matriculated or in attendance, will be regarded as in good standing.

RESOLUTIONS CONCERNING THE RECOGNITION OF MEDICAL COLLEGES IN ILLINOIS, ADOPTED JULY 11, 1899.

Whereas, Section 2, of an Act to Regulate the Practice of Medicine in the State of Illinois, and to repeal an act named therein, approved April 24, 1899, in force July 1, 1899, gives the State Board of Health discretionary power as to granting certificates without examination to graduates of legally chartered medical colleges in Illinois in good standing as may be determined by the Board; and,

Whereas, It is evident, notwithstanding the discretionary power granted to the Board, that the true intent and purpose of this act is to require all persons to prove their qualifications to the State Board of Health by passing an examination; therefore, be it

Resolved, That all applicants for a State Certificate to practice medicine and surgery in the State of Illinois, who are graduates of medical colleges in good standing as may be determined by this Board, shall, before receiving a certificate, be obliged to pass an examination such as contemplated in section 2, of an Act to Regulate the Practice of Medicine in the State of Illinois, in force July 1, 1899.

THE KEELEY INSTITUTE,

DWIGHT, ILLINOIS.

THE PARENT HOUSE OF THE KEELEY INSTITUTE SYSTEM.

ESTABLISHED 1880.

For the Treatment of Alcoholic Inebriety, Opium and All Other Drug Addictions, the Tobacco Habit and Neurasthenia.

The Keeley treatment has now been before the public for more than twenty years, has stood the test of doubt and criticism and passed far beyond the stage of experiment. Physicians are and should be conservative, not "carried about with every wind of doctrine." At the same time, when they see results they act accordingly. Hundreds of thousands have taken the Keeley treatment for various addictions, and the success attained proves its great merit.

There is nothing marvelous about it beyond the adaptability of the remedies to the cure of the addictions. The methods and principles are purely rational and scientific. These, briefly stated, consist of hypodermic and internal medication, combined with dietary and sanitary regulations under the direction of skilled regular physicians who have made these addictions and their accompanying conditions a life study.

By the Keeley system functional inebriety is ALWAYS cured and the appetite entirely removed; this is accomplished by elimination and the toning up of the nervous system. There is no nausea or other sickness attendant upon the treatment, but the general health improves from the time it begins. Entire freedom is accorded and there are no annoying or vexatious restraints.

No claim is made that the organic changes of chronic alcoholism will be remedied. By removing the craving or necessity, however, and proper elimination, the improvement in the general health enables nature in time to repair the damage. The history of the treatment of chronic alcoholics by the Keeley system always shows marked improvement of collateral ailments and often complete restoration.

Every patient receives a thorough clinical examination, and the treatment is adapted in all cases to the peculiar needs of each.

There is a separate establishment known as "The Woman's Home," where lady patients can live in absolute privacy.

Relapses? Yes, there are some, but no medicine will prevent the indulgence of evil practices by the naturally vicious. All physicians have treated patients for diseases which are the result of immorality. Is it uncommon for them to contract the disease again? The comparison is fair in every way.

Comprehensive literature free upon application and all correspondence strictly confidential.

SCIATICA.

Senator John W. Mix, Yalesville, Conn., writes: "Sciatica had literally brought me to death's door. In less than 30 minutes after applying Oxydonor, circulation was re-established, and immediate relief and subsequent cure came." **DR. H. SANCHE & CO., 61 Fifth St., Detroit, Mich., New York, N.
